EIP LOAN MODIFICATION AGREEMENT

GEORGIA, EMANUEL COUNTY

COMES NOW, **HOTSET AMERICA CORPORATION**, hereinafter referred to as **HOTSET**, and **EMANUEL COUNTY BOARD OF COMMISSIONERS**, hereinafter referred to as **LENDER**, who in consideration of the mutual benefits and advantages flowing to each of the parties do covenant, state, and agree as follows:

1. **HOTSET** executed an EIP Loan Agreement with **LENDER** dated March 17, 2015 whereby **HOTSET** borrowed from **LENDER** the sum of \$282,000.00. Said Note calls for monthly principal and interest payments totaling \$2,723.01.
2. **HOTSET** has now undertaken an additional expansion of its Swainsboro, Georgia business, and as such, in order to increase its cash flow position during said expansion, has asked for a deferment of Note payments for six months.
3. After negotiation between **HOTSET** and **LENDER**, and in order to help facilitate **HOTSET'S** expansion, **HOTSET** and **LENDER** have agreed as follows:
 - a. For the months of November and December of 2018 and January, February, March, and April of 2019, **HOTSET** shall be relieved from making its monthly principal and interest payments of \$2,723.01. This will equal total deferred payments of \$16,338.06
 - b. Beginning with the May 2019 payment, **HOTSET** shall pay, in addition to the normal monthly payment amount of \$2,723.01, an additional \$1,361.51 for twelve consecutive months. That shall bring the total monthly payment to \$4,084.51. Upon completion of the twelve modified payments, **HOTSET** shall again return to its regular payment schedule

and shall thereafter commence making its regular monthly payments of \$2,723.01 as called for under the terms and conditions of its original Loan Agreement.

4. The Georgia Department of Community Affairs has consented to the deferment of the payments for six months, which will then be re-amortized over the following twelve month period.
5. It is specifically understood and agreed that should **HOTSET** default in the making of said payments, it shall be a default under the terms and conditions of the EIP Loan Agreement dated March 17, 2015, and any and all other contractual agreements between **HOTSET** and **LENDER**.
