Checklist for Alcohol Licensing

- Must have minimum of 2 entry and exit points.
- Lighted signs at each exit point.
- Must be free of existing electrical hazards.
- Electrical panel and disconnects must be readily accessible.
- Must have working and proper fire/smoke and CO2 alarms (building specific).
- Has any construction taken place without permitting? (Building specific.)
- Fall protection all stairs, decks, porches, or platforms elevated more than 30” in height must have handrails/guardrails (excludes stages).
- Bathrooms/restrooms present.
- Build must be properly ventilated.

List of any hazards present that need to be noted and/or corrected for applicant.

Please note: These are the minimum standards required by Emanuel County for alcohol licensing. You may reference Chapter 6 and 10 of the Emanuel County Code of Ordinances, IBC, NEC, IFGC, IFC. However, you will find that these codes are more complex in nature and due to that factor, we have come up with these minimum standards for licensing.
