**UNOPPOSED MOTION AND SUPPORTING MEMORANDUM OF LAW FOR
 PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT, PRELIMINARY
 CERTIFICATION OF SETTLEMENT CLASSES, APPROVAL OF NOTICE
PROGRAM AND TO SCHEDULE FINAL APPROVAL HEARING**

Pursuant to O.C.G.A. § 9-11-23, Named Plaintiff, DRT Investments, LLC (hereinafter “Named Plaintiff”) individually and on behalf of all persons similarly situated by and through respective undersigned attorneys as identified below, files this Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Resolution, Preliminary Certification of Refund Class, Approval of Notice Program and to Schedule Final Approval Hearing (the “Motion”). Defendant Emanuel County (the “County” or “Defendant”) does not oppose this Motion. Named Plaintiff requests that the Court enter an Order (1) preliminarily approving the proposed resolution as set forth in the Order and Judgment on Aggregate Refund (the “Order and Judgment”); (2) certify the proposed settlement class; (3) designate Named Plaintiff as Class Representative; (4) designate Roberts Tate, LLC as Class Counsel; (5) approve the notice program; (6) approve certain forms to be used in the administration of the resolution; and (7) schedule the final approval hearing. In support of this Motion, the Parties show the Court as follows:

I. OVERVIEW OF THE LAWSUIT AND PROPOSED RESOLUTION

This lawsuit (the “Lawsuit”) alleges that the County levied and assessed illegal taxes in the form of fire fees pursuant to A Resolution For Emanuel County, Georgia Providing For The Implementation of a Fire Protection and Rescue Service Fee, adopted and effective September 17, 2018 (the “Fire Fee” or “Fire Fee Resolution”). Named Plaintiff and the prospective class members claim entitlement to refunds for the illegally assessed and collected Fire Fees under O.C.G.A. §48-5-380 (the “Refund Statute”).

The Parties have reached a proposed settlement in this matter. A copy of the proposed Order and Judgment which memorializes the settlement by the Parties (the “Settlement”) is attached as **Exhibit (“Ex.”) “A”**.

A. Factual Background

Named Plaintiff DRT Investments, LLC is a limited liability company organized and operating under the laws of the State of Georgia, whose principal office is located at 302 Carnoustie, St. Simons Island, Georgia 31522. Named Plaintiff owns real estate located at 6792 Highway 297, Emanuel County, Georgia 30436, Tax Parcel No. 049 001A (the “Subject Property”). In 2024, the County assessed Named Plaintiff ad valorem taxes which included the 2024 Fire Fee in the amount of Thirty Dollars and No/100 (\$30.00). Named Plaintiff paid its 2024 ad valorem taxes, including the 2024 Fire Fee, on or about February 18, 2025.

The Fire Fee Resolution established a special district known as the “Fire Protection Tax Fee District”, which consists of all unincorporated areas of Emanuel County, Georgia and all incorporated municipalities of Emanuel County, Georgia, with the exception of the City of Swainsboro. *See* Exhibit C to Complaint, § 2.1. The Emanuel County Fire District is referred to herein as the “District”.

The purpose of the Fire Fee Resolution was and “is to provide for additional funding for fire and rescue services that are provided for and funded in full or in part in the unincorporated areas of Emanuel County, Georgia and all incorporated areas of Emanuel County, Georgia with the exception of the City of Swainsboro.” *Id.*, § Article 1.

The Fire Fee Resolution defines “Fire Prevention and Rescue Services” to mean “fire suppression, community risk reduction, fire protection, disaster mitigation, rescue, hazardous material response, and other services provided by the rural fire rescue departments and personnel” within the District. *Id.* § 2.2.

The Fire Fee Resolution provides that the Fire Fee shall be a flat fee “assessed against each ‘parcel of land’, as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located in the fire prevention tax fee district of Emanuel County, Georgia. Said fee shall be imposed in an amount of \$30.00 per parcel, per year.” *Id.*, § 4.1.

The Fire Fee, pursuant to the Fire Fee Resolution, “shall be assessed on the ad valorem tax bill prepared by the officials of Emanuel County, Georgia and sent to the taxpayer at the normal time.” *Id.*, § 4.2.

Under the Fire Fee Resolution, the Fire Fee “shall be a lien upon the real property owned by [the] taxpayer just as the normal ad valorem taxes assessed by the county officials are in fact liens against the property and said fee, should it not be paid by the taxpayer, shall be collected just as uncollected ad valorem taxes due to the county would otherwise be collected.” *Id.*, § 4.3.

The Fire Fee Resolution “created a special fund to be called the Emanuel County Fire Protection and Rescue Services Fund, where the money [] collected from the imposition of the fire fee shall be deposited. The funds so deposited shall be restricted solely for the repair and/or replacement of existing fire protection and rescue services equipment, the purchasing of additional

equipment as needed, operational cost associated with the fire and rescue services, and for training and/or educational purposes as may be related to fire protection and rescue services in Emanuel County, Georgia. Said funds shall be used for no other purpose.” *Id.*, Article 5.

Upon information and belief, the Fire Fee for 2020, 2021, 2022, 2023, and 2024 was assessed on all parcels of real property, as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located in the District, in the amount of Thirty Dollars and No/100 (\$30.00).

According to the Georgia Supreme Court, “[a] tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or a service rendered.” *BellSouth Telecommunications, LLC v. Cobb County*, 305 Ga. 144, 146, 824 S.E.2d 233, 236 (2019) (citing *Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548 (1958)). The Georgia Supreme Court generally has considered four (4) criteria to determine whether a charge is a tax: “(1) a means for the government to raise general revenue based on the payer’s ability to pay (i.e., income or ownership of property), without regard to direct benefits that may inure to the payer or to the property taxed; (2) mandatory; (3) not related to the payer’s contribution to the burden on government; and (4) not resulting in a ‘special benefit’ to the payer different from those to whom the charge does not apply.” 305 Ga. at 146-147.

Applying these criteria to the Fire Fee, Named Plaintiff sets out a number of points in support of its claim that the Fire Fee is a tax and not a fee:

- The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services, including fire prevention and fire operations, rather than a charge for a particular service based on the payer’s ability to pay. That is, the payer’s ownership of property.

- The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Named Plaintiff or to the prospective classes.

- The Fire Fee is not assessed in a manner whereby the payment is based upon Named Plaintiff's contribution or the contribution of the prospective class members to the problem. That is, Named Plaintiff may pay the Fire Fee year after year and never utilize the fire protection services.

- The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee.

- The services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

- The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

- The Fire Fee is assessed and collected from Named Plaintiff and the prospective class members based on the ownership of property within the County and the Emanuel County Fire Protection Tax Fee District.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a flat rate. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from

which the given tax, as a whole, is to be drawn.”) Therefore, Named Plaintiff sets out that the Fire Fee is an illegal tax not authorized by the Georgia Constitution and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under the Refund Statute.

The proposed Order and Judgment does not prohibit the County to seek to collect in and after 2025 amounts for fire protection, so long as collection is in compliance with Georgia law, including Ga. Const. Art. 9, § 2, ¶ VI, “Special districts,” and the Georgia Service Delivery Strategy Act, O.C.G.A. § 36-70-20, *et seq.*, and/or Georgia or federal case law as then existing or as it may develop.

B. Settlement Discussions

After thoroughly investigating the facts of this Lawsuit, filing the Complaint, the Parties began Settlement negotiations. *See* Affidavit of James L. Roberts, IV, (“Roberts Aff.”) attached hereto as **Exhibit “B”**, at ¶14. The Parties held numerous negotiations and discussions. *Id.* at ¶15. Ultimately, the Parties were able to reach the Settlement which is memorialized in the Judgment. *Id.* at ¶16.

C. Terms of the Proposed Settlement

The terms of the proposed Settlement are set forth in the proposed Unopposed Order and Judgment. *See* Ex. A, Unopposed Order and Judgment, “Order,” or “Judgment.” The direct benefits of the Settlement to the Class Members include the creation of an aggregate refund fund in the amount of \$650,000.00 (the “Aggregate Refund Fund”). The Aggregate Refund Fund will be used for the payment to the Class Members of Fire Fees, paid legal fees and expenses, class representatives’ service payments and administrative costs. The County shall pay the Aggregate Refund Fund within 15 days of Final Judgment being signed (Aggregate Refund Fund Payment.”)

In the event that the County fails to make payment into the Aggregate Refund Fund as provided in the proposed Judgment, post judgment interest shall accrue at the rate of 7% per annum as set forth by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

Each Qualified Class Member will receive his or her pro-rata share of the Aggregate Refund Fund based on the Fire Fees paid from April 3, 2020 through the date of final approval of the Final Order and Judgment (“Refund Period”). As set forth in the proposed Order and Judgment, each Qualified Class Members’ pro rata share of the Aggregate Refund Fund is defined as the Presumptive Refund Amount and is expected to return to each Qualified Class Member a Presumptive Refund Amount of approximately 45% of the total Fire Fees paid during the Refund Period Presumptive Refund Amount, less Fees and Expenses (the “Pro-Rata Refund”). “Pro-rata” shall mean the proportion each Qualified Class Member’s Presumptive Refund Amount bears to the total Aggregate Refund Fund. This percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the ratio of each Class Members Presumptive Refund Amount to the Aggregate Refund Fund. The resulting number shall be each Qualified Class Member’s portion of the Fees and Expenses (“Pro-Rata Fees and Expenses”. The difference between the Presumptive Refund Amount less the Pro-Rata Fees and Expenses shall be each Qualified Class Member’s Pro-Rata Refund and shall be the amount distributed to each Qualified Class Member as set forth herein.

Under the proposed Judgment, within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the DRT Investments QSF Administrator (see Section D below) the amount of refund due each taxpayer and the address to

which the refund is to be mailed the Category 1 Class Members as defined in the Judgment. The DRT Investments QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the Administrator shall identify to the DRT Investments QSF Administrator Category 2 Class Members as defined in the proposed Judgment who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed. *See generally id.* at Sections –I-K.

D. Establishment of the DRT Investments Qualified Settlement Fund

Under the proposed Judgment, the Parties agree to the Court establishing a Qualified Settlement Fund under Section 468B of the Internal Revenue Code (the “DRT Investments QSF”). The DRT Investments QSF will be identified and established prior to and will be specified in the Final Order. The DRT Investments QSF will carry out the payment of approved Fees and Expenses of Class Counsel and Class Service Payments and the Refund Payment Process set forth in Sections E and J of the proposed Judgment respectively. The Final Order will appoint an administrator of the DRT Investments QSF (the “DRT Investments QSF Administrator”). The costs of the DRT Investments QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the “Aggregate Refund Fund Account”) established by the DRT Investments QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number. The DRT Investments QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund. *Id.* at Section C.

The costs of administering the Class Refunds shall not include any costs incurred by the County related to the webpage used for notification of Class Members (as further described below) or time devoted by employees of the County in fulfilling the terms of the proposed Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses by the County and upon payment in full of the amount of the Aggregate Refund Fund owed it shall be in sole satisfaction of all claims against the County. Under no circumstances shall the County be required to pay an amount greater than the Aggregate Refund Fund amount. *Id.*

E. Appointment of the Administrators and Special Master

The Parties hereby to the appointment Terry D. Turner, Jr., Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 Administrator to identify Class Members (hereinafter referred to as the “Administrator”) entitled to refunds based on the County’s databases, digests, records and resources and resources of the Finance Department, and to calculate the individual refund amounts, if any, due each Class Member. *Id.* at Section D.

The Parties hereby agree to Rita Spalding as serving as Special Master. The Special Master will rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master’s decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master agreed to by the Parties shall be appointed. *Id.* at Section H.

F. Proposed Notice Program

Subject to the Court’s approval, the Parties propose to individually notify each Class Member who owns or owned property in the District and paid Fire Fees to the County per the Fire

Fee Resolution at any time between April 3, 2020 and the date of preliminary approval of this Motion for fiscal years 2019 through 2025 by U.S. Mail mailed to their last known address (hereinafter referred to as the “Full Notice”). *See* Ex. “A”, proposed Judgment, at Section E. A copy of the proposed Full Notice is attached as **Exhibit “C”**.

As part of the proposed notice program, the Parties will also place an advertisement in The Forest Blade (hereinafter referred to as the “Publication Notice”). A copy of the proposed notice to be placed in The Forest Blade is attached as **Exhibit “D”**.

The County will also have a webpage on its website where information about the Lawsuit and the Judgment can be found (the “Fire Fee Settlement Webpage”). The URL to the Fire Fee Settlement Webpage will be included in the Full Notice to each Class Member as well as in the Publication Notice in The Forest Blade. *See* Ex. “C”, Full Notice and Ex. “D”, Publication Notice.

G. Attorneys’ Fees and Expenses

Class Counsel will apply to the Court for an award of attorneys’ fees and expenses. Class Members will be notified that for work done through the final approval of this proposed settlement, Class Counsel will apply to the Court for an award of attorneys’ fees up to 40% of the Aggregate Refund Fund plus documented out of pocket expenses incurred (the “Fee Petition”). The County takes no particular position in favor or against the ultimate amount requested in such Fee Petition and intends to defer such decision to the judgment and discretion of the Court. *See* Ex. C, Full Notice at Question No. 17.

H. Service Awards

Class Counsel will apply to the Court for a service award to the Named Plaintiff (the “Class Service Petition”). Class Members will be notified that Class Counsel will apply to the Court for a service award for the Named Plaintiff of 2.5% from the Aggregate Refund Fund. The County

takes no particular position in favor or against the ultimate amount requested in such Class Service Petition and intends to defer such decision to the judgment and discretion of the Court. *See* Ex. A, proposed Judgment at Section F.

I. Releases

Named Plaintiff and Class Members will release the County from claims relating to issues in this Lawsuit. *Id.* at Section L1.

II. ARGUMENT AND CITATION OF AUTHORITY

A. The Proposed Judgment Warrants Preliminary Approval

O.C.G.A. § 9-11-23 governs class action litigation. Any resolution of class action litigation must be approved by the court. O.C.G.A. §9-11-23(e) provides “[a] class action shall not be dismissed or compromised without the approval of the court and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs.”

Since its enactment in 1966 Georgia courts have read the statute to track the federal Rule 23 and in 2003 O.C.G.A. §9-11-23 was modified to actually conform to the federal rule. Thus, Georgia courts rely on federal cases interpreting Federal Rule 23(e) when interpreting O.C.G.A. §9-11-23(e). *See Sta-Power Indus., Inc., v. Avant*, 134 Ga. App. 952-953 (1975) (“Since there are only a few definitive holdings in Georgia on [O.C.G.A. §9-11-23], we also look to federal law to aid us.”).

Approval of a negotiated compromise of a class action is a two-step process. First, the Court must conduct a preliminary review to determine whether the proposed Settlement is “within the range of possible approval.” *Fresco v. Auto Data Direct, Inc.*, 2007 WL 2330895, at *4 (S.D. Fla. May 11, 2007) (internal citations omitted). This is the step we are at in this Lawsuit.

Preliminary approval of the proposed Judgment does not involve a determination of the merits of the Settlement but is solely to communicate the proposed Settlement to the class, to review and approve the proposed form of notice to the class and to authorize the manner and form of dissemination of the notice. That is, the proposed Settlement should be reviewed to determine if it is fair, reasonable and adequate to the class members. *See In re Checking Account Overdraft Litigation*, 275 F.R.D. 654 (S.D. Fla. 2011).

“The purpose of this cursory examination is to detect defects in the settlement that would risk making notice to the class, with its attendant expenses ... [a] futile gesture[].” *In re Electronic Data Sys. Corp.*, 2005 WL 1875545, at *4 (E.D. Tex. June 30, 2005) (quoting *Newburg on Class Action*, §11:25 (4th ed. 2002)). This preliminary approval “is not tantamount to a finding that the settlement is fair and reasonable. It is at most a determination that there is what might be termed ‘probable cause’ to submit the proposal to class members ...”. *In re Traffic Executive Ass’n-E.R.R.*, 627 F.2d 631, 634 (2d. Cir. 1980). Accordingly, at the preliminary approval step, “the [c]ourt’s duty is to conduct a threshold examination of the overall fairness and adequacy of the settlement in light of the likely outcome and the cost of continued litigation.” *In re Inter-Op Hip Prosthesis Liab. Litig.*, 204 F.R.D. 330, 350 (N.D. Ohio 2001) (citation omitted).

In other words, at the preliminary approval stage, there is no need to “conduct a trial on the merits.” *In re Motorsports Merchandise Antitrust Litig.*, 112 F. Supp. 2d 1329, 1333 (N.D. Ga. 2000). Instead, a court “may rely upon the judgment of experience counsel for the parties ... [and] [a]bsent fraud, collusion, or the like, the ... court should be hesitant to substitute its own judgment for that of counsel.” *Nelson v. Mead Johnson & Johnson Co.*, 484 F. App’x 429, 434 (11th Cir. 2012) (internal quotations omitted).

If the settlement appears to be fair and adequate upon a preliminary examination, then the court directs the parties to send out the notices to the class members. *See Newberg on Class Actions* (5th ed.) §13:41 (2018). After receiving any comments and objections from the class members, the court conducts a final fairness hearing on the settlement approval. *Id.* It is only at the second step of the process, after notice to the class, that the court decides whether to grant final approval of the resolution as fair and reasonable. *See e.g., Bennett, et al. v. Behring Corporation, et al.*, 737 F.2d 982 (11th Cir. 1984).

The law generally encourages the resolution of class actions. *Id.* at 986. (“[O]ur judgment is informed by the strong judicial policy favoring resolution as well as by the realization that compromise is the essence of settlement.”). *See In re US Oil & Gas Litg.*, 967 F.2d 489, 493 (11th Cir. 1992) (citing *Cotton v. Hinton*, 559 F.2d 1326, 1331 (5th Cir. 1977) (“Public policy strongly favors the pretrial settlement of class action lawsuits.”). *See also Meyer v. Citizens and Southern Bank*, 677 F. Supp. 1196, 1200 (M.D. Ga. 1988). “[S]ettlements are highly favored in the law and will be upheld whenever possible because they are a means of amicably resolving doubts and preventing lawsuits.” *McWhorter v. Ocwen Loan Serving, LLC*, 2019 WL 9171207, at *8 (N.D. Ala. Aug 1, 2019) (internal citations omitted). “Settlements conserve judicial resources by avoiding the expense of a complicated and protracted litigation process and are highly favored by the law.” *In re Motorsports*, 112 F. Supp. 2d at 1333. “Above all, the court must be mindful that inherent in compromise is a yielding of absolutes and an abandoning of highest hopes.” *Ass’n for Disabled Ams. v. Amoco Oil Co.*, 211 F.R.D. 457, 467 (S.D. Fla. 2002). Accordingly, a court has broad discretion in approving a settlement.

When considering whether to grant preliminary approval of class action settlements courts in the Eleventh Circuit use two different standards. Some courts find that preliminary approval is

appropriate “where the proposed settlement is the result of the parties’ good faith negotiations, there are no obvious deficiencies and the settlement falls within the range of reason.” *In re Checking Account Overdraft Litig.*, 275 F.R.D. 654, 661 (S.D. Fla. 2011) (internal quotations omitted). Other courts apply the factors used for final approval of a class action settlement, known as the *Bennett* factors:

(1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which a settlement is fair, adequate and reasonable; (4) the complexity, expense and duration of litigation; (5) the substance and amount of opposition to the settlement; and (6) the stage of proceedings at which the settlement was achieved.

Columbus Drywall & Insulation, Inc, et al v. Masco Corp., et al, 258 F.R.D. 545, 558-59 (N.D. Ga. 2007) (quoting *Bennett*, 737 F.2d at 986). Although O.C.G.A. §9-11-23(e) does not set forth criteria to guide the court at the preliminary approval stage, Federal Rule 23(e) states that, at the preliminary approval stage, the court must determine whether it “will likely be able to: (1) approve the proposal under Rule 23(e)(2); and (ii) certify the class for purposes of judgment on the proposal.” Fed. R. Civ. 23(e)(1)(B). Rule 23(e)(2), in turn, specifies the following factors a court should consider at the final approval stage in determining whether a settlement is fair, reasonable and adequate only after a hearing and after considering the following factors:

(A) the class representatives and class counsel have adequately represented the class;

(B) the proposal was negotiated at arm’s length;

(C) the relief provided for the class is adequate, taking into account:

- (i) the costs, risks, and delay of trial and appeal;
- (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;
- (iii) the terms of any proposed award of attorney’s fees, including timing of payment; and

- (iv) any agreement required to be identified under Rule 23(e)(3) [any agreement made in connection with the settlement]; and

(D) the proposal treats class members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2). A review of the Rule 23(e)(2) factors indicates they are substantively similar to the *Bennett* factors. The stated goal of Rule 23(e)(2) is to “focus the court ... on the core concerns of procedure and substance that should guide the decision whether to approve the proposal.” Fed. R. Civ. P. 23(e) Advisory Cmte. Note (2018). These factors must be viewed in tandem with the Eleventh Circuit’s guidelines for approval of a settlement. *See e.g., Johnson v. Rausch, Sturm, Israel, Enerson & Hornik, LLP*, 333 F.R.D. 314, 320 (S.D.N.Y. 2019) (holding that the Rule 23(e)(2) factors must be considered in conjunction with factors that courts used prior to the 2018 amendment). The ultimate decision of whether to approve a proposed class action settlement, is however “committed to the sound discretion of the ... court.” *In re US Oil & Gas Litg.*, 967 F.2d at 493.

The Settlement as set forth in the proposed Judgment warrants preliminary approval under both standards utilized by the Eleventh Circuit as well as under the Federal Rule 23(e)(2) factors.¹

1. The Proposed Settlement is the Result of Good Faith Negotiations, is Not Obviously Deficient and Falls within the Range of Reason

The Settlement was negotiated at arm’s length and without collusion. *See* Ex. B, Roberts Aff. at ¶18. *See e.g. In re Checking Account Overdraft Litig.*, 275 F.R.D. at 661. This is the Rule 23(e)(B) factor.

¹ With regard to factor Rule 23(e)(2)(C)(iii) (terms of any proposed award of attorney’s fees), Class Counsel will file a Fee Petition as directed by the Preliminary Approval Order and will seek an award of attorneys’ fees up to 40% of the Aggregate Refund Fund plus documented out of pocket expenses. With regard to factor Rule 23(e)(2)(C)(iv) (any agreement made in connection with the resolution), Class Counsel has confirmed that there are no agreements in connection with the Resolution other than specifically articulated in the Judgment. *See* Ex. B, Roberts Aff. at ¶23.

The County is represented by extremely capable counsel who mounted vigorous defenses. *See* Ex. B, Roberts Aff. at ¶¶17, 19. The Settlement was only reached after extensive negotiations concerning the parameters and provision of a fair, reasonable and adequate resolution. *Id.* at ¶19.

The Settlement is not deficient and is within the range of reason. The Aggregate Refund Fund to be established if the proposed Judgment is approved is \$650,000.00. From the Aggregate Refund Fund, Class Members are eligible to receive their pro-rata share of their calculated tax refund up to approximately 45% of the total Presumptive Refund Amount due less fees and expenses² (the “Pro-Rata Refund”). *See* Ex. A, Judgment, Section I.

There is no evidence of collusion as counsel for both Parties zealously represented the best interests of their clients. *See* Ex. B, Roberts Aff. at ¶¶17-19. Moreover, Class Counsel believes that the Settlement is fair and reasonable thereby entitling the Settlement to a presumption of fairness. *Id.* at ¶25. *See Slomovics v. All For A Dollar, Inc.*, 906 F. Supp. 146, 150 (E.D.N.Y. 1995) (Courts give considerable weight to the views of experienced counsel as to the merits of a resolution). Accordingly, preliminary approval of the Settlement reached in the proposed Judgment is warranted since the standard for preliminary approval stated in *In re Checking Account Overdraft Litig.* has been met.

2. Class Members have Received Excellent Representation

The record shows that the Named Plaintiff and Class Counsel have provided excellent representation to the Class Members. This is the Rule 23(e)(2)(A) factor.

To begin, Named Plaintiff, as the Class Representative, share the same interests as the absent Class Members and assert claims stemming from the same event – illegal assessment of

² Class Counsel’s fees and expenses, Class Representatives’ fees and the fees regarding the administration of the Aggregate Refund Fund are collectively referred to as “Fees and Expenses” in the Judgment. *See* Ex. A, Judgment, at Section E.

taxes in the form of Fire Fees – and accordingly share the same injuries. Named Plaintiff has no claim and no interest different from or antagonistic to the absent Class Members. *See generally* Named Plaintiff’s First Amended Class Action Complaint. Finally, Named Plaintiff vigorously prosecuted this Lawsuit leading to the proposed Settlement.

Named Plaintiff retained Class Counsel who is experienced in class action litigation generally and specifically refund class actions. Class Counsel thoroughly researched the legal issues in this Lawsuit. *See* Ex. B, Roberts Aff. at ¶¶13, 15-16. Furthermore, the facts of this Lawsuit have also been thoroughly researched. *Id.* at ¶¶9-12.

Lead Class Counsel’s extensive knowledge in complex litigation and tax refund litigation as well as the investigation and early discovery conducted in the Lawsuit allowed Class Counsel to better understand the merits of the Lawsuit and damages of the Named Plaintiff and Class Members. *Id.* at ¶¶7-16. This background also prepared Class Counsel for resolution negotiations and successfully positioned Class Counsel to engage in vigorous, arm’s length negotiations. *Id.* at ¶¶14-16. In light of the foregoing, the Settlement represents an informed, educated and fair resolution of the Lawsuit. Extensive information allowed Class Counsel and Named Plaintiff to assess their position in great detail and make a reasonable decision on the Settlement. *See Mashburn v. Nat’l Healthcare, Inc.*, 684 F. Supp. 660, 669 (M.D. Ala. 1988) (settlement appropriate given counsel acquired sufficient information “to determine the probability of ... success on the merits, the possible range of recovery, and the likely expense and duration of the litigation.”).

3. The *Bennett* Factors Support Preliminary Approval

Preliminary approval of the Settlement reached in the proposed Judgment is also warranted under the *Bennett* factors which courts use to determine if the class action settlement is fair, adequate and reasonable.

i. The Benefits Outweigh the Risks at Trial

The trial court weighs the first *Bennett* factor, the likelihood of success at trial, “against the amount and form of relief contained in the settlement.” *Saccoccio v. JP Morgan Chase Bank, NA*, 297 F.R.D. 683, 692 (S.D. Fla. 2014) (quotation omitted). The first *Bennett* factor is similar to Rule 23(e)(2)(c)(i). Here, Named Plaintiff’s Motion to Certify the Suit as Class Action remains pending. Class certification is always challenging and assuming that a class is certified, plaintiffs risk losing on summary judgment, at trial or on appeal. Moreover, if this matter proceeded to trial the outcome could have resulted in relief either greater or less than the Aggregate Refund Fund.

The Settlement reached provides immediate cash refunds for the Class Members up to approximately 45% of the total Presumptive Refund Amount less fees and expenses. *See* Ex. A, Judgment, Section I. Therefore, the possibility of a trial producing a more favorable recovery is remote and the Class would risk the many hazards of litigation, such as trial errors and appeals. *See In re Motorsports*, 112 F. Supp. 2d at 1334 (“[T]he trial process is always fraught with uncertainty.”). The Settlement set forth in the proposed Judgment avoids these uncertainties and provides the Class Members with meaningful and certain relief. *See Parsons v. Brighthouse Networks, LLC*, 2015 WL 13629647, at *4 (N.D. Ala. Feb. 5, 2015) (“[C]ontinued litigation would have risked delaying class’s potential recovery for years, further reducing the value of any such recovery. The Settlement resolves the cause without any further delay and will, if finally approved, offer the Settlement Class an immediate and certain recovery, as well as correcting the practices

complained of in this Lawsuit. Thus, this factor also speaks strongly in favor of final approval of the proposed Settlement.”). *See also Hall v. Bank of Am., N.A.*, 2014 WL 7184039, at *4 (S.D. Fla. Dec. 17, 2014) (noting that “even if plaintiffs were to prevail, class certification proceeding[s], a class trial and the appellate process could go on for years.”).

ii. The Settlement is Within the Range of Possible Recoveries and is Fair, Adequate and Reasonable

The second and third *Bennett* factors – whether the settlement is within the range of possible recoveries and is fair, adequate and reasonable – can be considered together. *See Burrows v. Purchasing Power, LLC*, 2013 WL 10167232, at *6 (S.D. Fla. Oct. 7, 2013). “The Court’s role is not to engage in a claim-by-claim, dollar-by-dollar evaluation, but to evaluate the proposed settlement in its totality.” *Lipuma v. American Express Co.*, 406 F. Supp. 2d 1298, 1323 (S.D. Fla. 2005). “In assessing the settlement, the [c]ourt must determine whether it falls within the range of reasonableness, not whether it is the most favorable possible result in the litigation.” *In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 319 (N.D. Ga. 1993).

As discussed above, the Class Members will receive up to 45% of the total Presumptive Refund Amount due less fees and expenses. *See Ex. A, proposed Judgment, Section I. Compare WinSouth Credit Union v. Mapco Express, Inc.*, No. 3:14-cv-01573 (M.D. Tenn. Jan. 12, 2017) (approving settlement despite arguments that it provided less than 10 percent of the potential recovery). This is an immediate and substantial benefit to the Class Members. *See Columbus Drywall*, 258 F.R.D. at 559 (On a motion for preliminary approval, finding a settlement fair, adequate and reasonable where there was an immediate and substantial benefit to the class). Therefore, the Settlement is within the range of possible recoveries and is fair, adequate and reasonable.

iii. Continued Litigation Would be Expensive and Lengthy

A settlement that “will alleviate the need for judicial exploration of ... complex subjects – [such as class certification and the calculation of the aggregate tax refund amount for individual class members] [] [and] reduce litigation costs ...” merits approval. *Lipuma*, 406 F. Supp. 2d at 1324. Preliminary approval of the proposed Judgment will avoid complex, expensive and continued lengthy litigation, saving resources of the Parties and the Court. Continued litigation would involve extensive discovery, and motion practice, including Named Plaintiff’s Motion to Certify Suit as Class Action. Trying this Lawsuit to verdict would involve extensive expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals. Instead of facing uncertainty of a potential award in their favor years from now, the Settlement allows Named Plaintiff and the Class Members to receive immediate and certain relief.

iv. The Degree of Opposition to the Settlement

Courts do not consider this factor until notice has been provided to the class. *See Columbus Drywall*, 258 F.R.D. at 560. Stated differently, courts do not consider this *Bennett* factor at the preliminary approval stage.

v. The Stage of the Proceedings

The purpose of this final *Bennett* factor is “to ensure that Plaintiffs had access to sufficient information to adequately evaluate the merits of the case and weigh the benefits of settlement against further litigation.” *Lipuma*, 406 F. Supp.2d at 1324. Although the resolution was reached approximately three (3) months after the suit was filed, it is the product of good faith arm’s length negotiations and should be preliminarily approved. *See Newberg* § 13:14 (“The primary procedural factor courts consider in determining whether to preliminarily approve a proposed resolution is whether the agreement arose out of arms-length-nonocclusive negotiations.”). *See also Bennett*,

737 F.2d at 987 n.9 (approving resolution where district court had “determined that the resolution ha[d] been achieved in good faith through arms-length negotiations and is not the product of collusion between the parties and/or their attorneys”). Further, “penalizing class counsel for achieving a settlement [early] would work against the interests of the class and undercut the judicial policy favoring early resolution.” *In re Equifax Inc. Customer Data Security Breach Litigation*, 2020 WL 256132, at *35 (N.D. Ga. 2020), *aff’d in part and remanded by In re Equifax Inc. Customer Data Security Breach Litigation*, 999 F.3d 1247 (11th Cir. 2021). *See also Ressler v. Jacobson, et al.*, 822 F. Supp. 1551, 1555 (M.D. Fla. 1992) (“The law is clear that early settlement are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make determinations.”). Where information has been gathered through other means “formal discovery [is not] a necessary ticket to the bargaining table.” *In re Corrugated Container Antitrust Litig.*, 643 F.2d 195, 211 (5th Cir. 1981); *see also In re Mego Fin. Corp. Sec. Litig.*, 213 F.3d 454, 459 (9th Cir. 2000) (same); *Cotton*, 559 F.2d at 1332 (finding that “very little formal discovery was conducted and there [was] no voluminous record in this case” but that “the lack of such does not compel the conclusion that insufficient discovery was conducted,” as plaintiffs “achieved the desired quantum of information necessary to achieve a resolution” through investigation and informal discovery).

Before engaging in settlement negotiations, Class Counsel thoroughly investigated the facts and the law of the case. Class Counsel conducted early, informal discovery into this Lawsuit prior to resolution negotiations. *See* Ex. B, Roberts Aff. at ¶¶9-12. Numerous Open Records Requests were issued to the County for documents. *Id.* at ¶9. From the documents provided pursuant to the Open Records Requests Class Counsel was able to thoroughly research the facts of

this Lawsuit. *Id.* at ¶10. For all of the taxpayers who potentially could be entitled to a refund, Class Counsel reviewed property record cards and tax bills. *Id.* at ¶12.

Class Counsel spent a substantial number of hours investigating the hundreds of potential refund claims in tax years 2019 (paid on and after April 3, 2020), 2020, 2021, 2022, 2023 and 2024. *Id.* at ¶11. *See also Ressler v. Jacobson, et al.*, 822 F. Supp. at 1555 (“The law is clear that early resolutions are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make determinations.”). Moreover, legal issues have been thoroughly researched and Attorney Roberts, as lead counsel, has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory interpretations for refund matters under the Refund Statute. *See Ex. B, Roberts Aff.* at ¶13.

Based on this, the facts of this Lawsuit have been thoroughly investigated, and in combination with Class Counsel’s litigation experience, Class Counsel can and has adequately analyzed the strengths and weakness of this Lawsuit. *Id.* at ¶25. Thereafter the Parties reached the Settlement after negotiations. The County is represented by Patrick T. O’Connor, Esquire, Patricia T. Paul, Esquire, and Richard M. McNeely, Esquire who are extremely capable counsel and worthy, highly competent and professional adversaries. *Id.* at ¶17. The County mounted vigorous defenses and the Settlement was only reached after extensive negotiations concerning the parameters and provisions of a fair, reasonable and adequate resolution. *Id.* at ¶19. *See also Blessing v. Sirius XM Radio, Inc.*, 507 Fed. Appx. 1, 3 (2d Cir. 2012) (finding that “the district court did not abuse its discretion when it presumed the proposed resolution was fair” where “competent counsel on both sides” and “settlement was reached only after contentious negotiations”).

4. Proposed Method of Distribution

The Rule 23(e)(2)(C)(ii) factor requires the Court to review the effectiveness of any proposed method of distributing relief to the class. As set forth in the proposed Judgment, all Class Members are treated equally. Courts have concluded that where the settlement terms apply to all Class Members, the “method of distributing relief to the class” will effectively benefit every member of the Class and treat them equitably relative to each other.” *Gumm v. Ford*, 2019 WL 479506, at *6 (M.D. Ga. Jan. 17, 2019).

Here, if the Class Member is a Qualified Class Member as defined in the proposed Judgment and still owns the property for which the refund is due, the Class Member needs to take no further action in order to receive his or her refund. *See* Ex. A, proposed Judgment, Sections H, I, and J. There are no claims forms for such Qualified Class Members to complete. If the Class Member is a Qualified Class Member as defined in the proposed Judgment and no longer owns the property for which the refund is due, the Class Member will fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Fire Fee Settlement Webpage on the County’s website) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member. *Id.* Under the circumstances this is the best method of distribution possible.

B. The Settlement Class Should be Certified

When a settlement is reached before certification, a court must determine whether to certify the Refund Class. *See e.g., Manual for Complex Litigation* §21.632 (4th ed. 2014); *Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 613-14 (1997). In determining the propriety of a class action, the Court must determine whether the requirements of O.C.G.A. §9-11-23(a) and one of the requirements under O.C.G.A. §9-11-23(b) have been met. *See City of Roswell v. Bible, et al.*,

351 Ga. App. 828, 830-831, 833 S.E.2d 537, 541 (2019) *cert. denied* (Ga. Ct. May 4, 2020); *Diallo v. American InterContinental Univ.*, 301 Ga. App. 299, 300, 687 S.E.2d 278 (2009). “In determining the priority of a class action, the first issue to be resolved is not whether the plaintiffs have stated a cause of action or may ultimately prevail on the merits[,] but whether the requirements of O.C.G.A. §9-11-23(a) have been met.” *Endochoice Holdings, Inc. et al v. Raczewski, et al.*, 351 Ga. App. 212, 215, 830 S.E.2d 597, 601 (2019) (internal citation omitted).

The Refund Class Refund Class is defined as ***all owners of real property in Emanuel County who paid Fire Fees to the County per The Emanuel County Fire Protection and Rescue Services Fee Resolution, adopted and effective September 17, 2018, at any time between April 3, 2020 through the date of final approval of the Order and Judgment*** (the “Refund Class”). The Court should certify this Refund Class . Indeed, courts have certified similar classes in other tax refund matters. *See e.g., Coleman v. Glynn County*, Superior Court of Glynn County, CE12-01785-063, CE13-01480-063; and CE14-00750-063; *Altamaha Bluff, LLC, et al. v. Thomas, et al.*, Superior Court of Wayne County, 14-CV-0376; *Old Town Trolley Tours of Savannah, Inc. v. The Mayor and Aldermen of the City of Savannah*, Civil Action No. SPCV20-00767-MO, Superior Court of Chatham County; *Bailey v. McIntosh County, Georgia*, Superior Court of McIntosh County, Civil Action No. SUV2021000009; and *Robert Anderson v. Chatham County*, Superior Court of Chatham County, SPCV21-01165-CO.³ *See also UNUM Life Ins. Co. of Am. v. Crutchfield*, 256 Ga. App. 582, 582-583, 568 S.E.2d 767, 768-769 (2002) (“Certification of a class action is a matter of discretion with the trial judge, and, absent abuse of that discretion, we will not disturb the trial court’s decision.”).

³ In addition to the arguments in support of certification of the Refund Class Refund Class set forth herein, Named Plaintiff also incorporates the arguments set forth in its Memorandum of Law in Support of Motion to Certify Suit as Class Action filed on March 25, 2024 as if fully set forth herein.

1. The Refund Class Refund Class satisfies the requirements of O.C.G.A. §9-11-23(a).

The Refund Class Refund Class satisfy the four prerequisites under O.C.G.A. §9-11-23(a) for class certification: (1) numerosity; (2) commonality; (3) typicality; and (4) adequacy of representation. *See* O.C.G.A. §9-11-23(a)(1)-(4). *See also Endochoice Holdings*, 351 Ga. App. at 215; *Liberty Lending Servs. v. Canada*, 293 Ga. App. 731, 735-36, 668 S.E.2d 3 (2008).

i. Numerosity

Under Georgia law, there is no minimum number of class members required to meet the requirements of O.C.G.A. §9-11-23(a)(1). *See Bible*, 833 S.E.2d at 543. Named Plaintiff needs only establish that joinder is impracticable through some evidence or reasonable estimate of the number of purported prospective class members. *See Brenntag Mid South, Inc., v. Smart*, 308 Ga. App. 899, 710 S.E.2d 569 (2011). The “impracticability of joinder is generally presumed if the class includes more than 40 members.” *American Debt Foundation, Inc. v. Hodzic*, 312 Ga. App. 806, 809, 720 S.E.2d 283 (2011). *See also Cox v. Am. Cast Iron Pipe Co.*, 784 F.2d 1546, 1553 (11th Cir. 1986) (“[W]hile there is no fixed numerosity rule, generally less than twenty-one is inadequate, more than forty adequate, with numbers between varying according to other factors.”).

The total number of Refund Class Members for the proposed class exceeds 200 members for each tax year at issue. *See* Ex. A, proposed Judgment, Exhibit 1. And upon information and belief, because many, if not most, of the prospective class members are entitled to refunds for multiple years, the total number of prospective class members is even higher. Thus, the numerosity requirement is satisfied.

ii. Commonality

Questions of law and fact common to the Named Plaintiff and Members of the Settlement Refund Class predominate over any individual questions thus satisfying the commonality

requirement. A class action is authorized if the members of the class share a common right and common questions of law or fact predominate over individual questions of law or fact. *See Fortis Ins. Co. v. Kahn*, 299 Ga. App. 319, 322, 683 S.E.2d 4 (2009). Here, the outcome of the litigation turns on one common legal issue applying to the Named Plaintiff and to all Members of the Refund Class— whether the County failed to comply with Georgia law in assessing and collecting the Fire Fees. Moreover, because the County assessed the Fire Fee in the same manner on all taxpayers, the resolution of that common legal issue of whether the Class Members are also entitled to refunds. The alleged uniform failure to comply with Georgia law in assessing the Fire Fees indicates that common issues of fact as to Named Plaintiff and the prospective class members are substantial and predominate over any individual claims.

iii. Typicality

The Named Plaintiff’s claims are identical to the claims of the prospective class members, satisfying the typicality requirement. The outcome of this litigation for Named Plaintiff and calculation of any refund or application of any remedy would also uniformly apply to all prospective members of the Refund Class Refund Class.

The typicality requirement under O.C.G.A. §9-11-23(a) is satisfied upon a showing that the claims of the Named Plaintiff are typical of the claims of the members of the classes. The Georgia Court of Appeals recently stated that the typicality test is not demanding and “centers on whether other members have the same or similar injury, whether the action is based on conduct which is not unique to the named class plaintiffs, and whether other class members have been injured by the same course of conduct.” *Bible*, 833 S.E.2d at 544 (internal citations omitted). Importantly, the typicality requirement “may be satisfied even though varying fact patterns support the claims or defenses of individual class members, or there is a disparity in the damages claimed

by the representative parties and the other members of the class, so long as the claims or defenses of the class and the class representatives arise from the same events, practice, or conduct and are based on the same legal theories.” *Morris, et al. v. PHH Mortgage Corp., et al.*, 2022 WL 18859412 (S.D. Fla. Dec. 22, 2022) (internal citations and punctuation omitted).

iv. Adequacy of Representation

Named Plaintiff will adequately represent the interests of the Members of the Refund Class Refund Class and has no interests divergent from those of the Members of the Refund Class. Moreover, Named Plaintiff is represented by experienced and competent class counsel. Consequently, the adequate representation requirement is satisfied.

The facts of this case satisfy the adequacy of representation requirement. First, lead counsel for Named Plaintiff and the purported class has extensive experience in class action litigation generally and refund class action litigation specifically. *See* Ex. B, Roberts Aff. at ¶¶6-8. Counsel specializes in property tax law and appeals having handled tax appeals and refund matters for thousands of parcels in over 60 counties in the State of Georgia as Florida, Virginia, Alabama and North Carolina at the administrative, trial court, and appellate court levels. *Id.* at ¶7.

Second, Named Plaintiff’s interest in this action is the same as the prospective members of the Refund Class Refund Class. Named Plaintiff does not stand to benefit under any circumstances where the prospective members of the Refund Class Refund Class he represents would not also benefit for the same reasons.

2. Class Certification is proper under O.C.G.A. §9-11-23(b)(1), (2) and (3).

Once the prerequisites for class certification have been satisfied, the Court must determine whether the proposed action satisfies one of the three categories set forth under 9-11-23(b). Here, certification is proper under O.C.G.A. § 9-11-23(b)(1) and (3).

i. Certification is appropriate under O.C.G.A. §9-11-23(b)(1).

Certification is proper under O.C.G.A. § 9-11-23(b)(1). Certification is proper if:

[t]he prosecution of separate actions by or against individual members of the class would create a risk of [i]nconsistent or varying adjudications with respect to individual members of the class which would establish incompatible standards of conduct for the party opposing the class or [a]djudications with respect to individual members of the class which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests.

O.C.G.A. § 9-11-23(b)(1).

Particularly significant to this litigation, the United States Supreme Court in *Amchem Products, Inc. v. Windsor* held that Federal Rule of Civil Procedure 23(b)(1)(B) “takes in cases where the party is obliged by law to treat the members of the class alike” such as “a government imposing a tax.” 521 U.S. 591, 614 (1997). Here, prosecution or the lack of prosecution of separate actions by prospective members of the Refund Class would create the risk of inconsistent or varying treatment and adjudication among the class as a whole.

Moreover, because of the relatively small amount of refund owed per class member compared to the cost of litigation, it is unlikely that other property owners would pursue refunds of erroneously assessed taxes. Such a practical impediment would result in the refund of taxes to Named Plaintiff and the members of the Refund Class pursuing their own actions while other prospective class members who present the same factual and legal issues would not. Even if Named Plaintiff prevails, in the absence of class certification there is no mechanism requiring the County to refund taxes to other Members of the Refund Class.

ii. Certification is appropriate under O.C.G.A. §9-11-23(b)(2).

Certification is appropriate under O.C.G.A. 9-11-23(b)(2). A class should be certified under (b)(2) if “the party opposing the class has acted or refused to act on grounds generally

applicable to the class, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to the class as a whole.” O.C.G.A. 9-11-23(b)(2). Overall, the County has acted in manner generally applicable to the prospective class members in the assessment, billing and collection of illegal taxes in the form of Fire Fees in violation of the Georgia Constitution and Georgia law.

iii. Certification is appropriate under O.C.G.A. §9-11-23(b)(3).

Class certification is proper under O.C.G.A. 9-11-23(b)(3) as questions of law and fact common to the Members of the Refund Class predominate over individual issues and a class action is superior to other methods of adjudication. O.C.G.A. § 9-11-23(b)(3).

a. Questions of law and fact common to the classes predominate over any questions affecting only individual members.

A plaintiff may satisfy the predominance requirement by showing that “issues subject to class-wide proof predominate over issues requiring proof that is unique to the individual prospective class members.” *Brenntag Mid South, Inc.*, 308 Ga. App. at 906 citing *In re Tri-State Crematory Litigation*, 215 F.R.D. 660 (N.D. Ga. 2003). “Where the Defendant’s liability can be determined on a class-wide basis because . . . of a single course of conduct which is identical for each of the plaintiffs, a class action may be the best suited vehicle to resolve such a controversy.” *Id.* (quoting *Sterling v. Velsicol Chemical Corp.*, 855 F.2d 1188, 1197 (6th Cir. 1988)). *See also Bible*, 833 S.E.2d at 542.

In the instant action, liability can be determined on a class wide basis. If the Fire Fee assessed and collected from Named Plaintiff was an illegal tax based on the Georgia Constitution and Georgia law, then the same is true for Members of the Refund Class.

The Georgia Supreme Court has held that class actions can be brought for tax refunds and for refunds under O.C.G.A. § 48-5-380 in particular. *City of Atlanta v. Barnes*, 276 Ga. 449, 451-

452, 578 S.E.2d 110 (2003) (“Barnes I”) (superseded by statute on other grounds in *Sawnee Electrical Membership Corp. v. Georgia Dept. of Revenue*, 279 Ga. 22, 603 S.E.2d 611 (2005)).

In *Barnes*, Named Plaintiff sought a refund of taxes based on an allegedly unlawful occupation tax which was certified as to all taxpayers who had been subjected to the tax within the period allowed by O.C.G.A. § 48-5-380. *Barnes v. City of Atlanta*, 281 Ga. 256, 260, 637 S.E.2d 4 (2006) (“Barnes

II). The *Barnes II* court writes:

[i]n our prior opinion, however, we held that OCGA § 48-5-380 does not ‘provide for the form of action to be utilized. By participating as a plaintiff in a class action that includes a claim for a tax refund, a taxpayer is unquestionably bringing an action for a refund, which is what the statute permits.’ *Barnes I*, supra at 452(3), 578 S.E.2d 110. *Compare Sawnee Elec. Membership Corp. v. Ga. Dept. of Revenue*, 279 Ga. 22, 25(3) fn. 1, 608 S.E.2d 611 (2005) (former OCGA § 48-2-35(b)(5), now designated subsection (c)(5), **superseded *Barnes I* only as to refund claims against the State**).

Id. at 257 (emphasis added).

After *Barnes II* the Georgia Court of Appeals had the opportunity to analyze the ability to maintain a class action for refund under O.C.G.A. §48-5-380 in *Glynn County v. Coleman, et al*, 334 Ga. App. 559, 779 S.E.2d 753 (2015). The *Coleman* court held that “[b]ased upon *Barnes II* and the General Assembly’s failure to preclude class actions under O.C.G.A. §48-5-380 following the Supreme Court’s decision in *Barnes I*, we conclude that a class action for a tax refund can be maintained under O.C.G.A. §48-5-380.” *Coleman*, 334 Ga. App. at 564.

Similar to *Barnes I* and *Coleman*, here, Named Plaintiff seeks certification of a class that has been uniformly subjected to the assessment of Fire Fees and the voluntary or involuntary payment of Fire Fees based on the County’s failure to comply with the Georgia Constitution and Georgia law. Accordingly, common issues predominate. *See also Mary A. Bailey v. McIntosh County, Georgia*, Superior Court of McIntosh County, Civil Action No. SUV2021000009 (May 5, 2022) (Court found common issues predominate).

b. the Members of the Refund Class.

In order to determine whether a class action is the superior method, the court must balance the merits of a class action against alternative methods of adjudication.⁴ *Brenntag*, at 906. Factors to be considered include:

(A) [t]he interest of members of the class in individually controlling the prosecution or defense of separate actions; (B) [t]he extent and nature of any litigation concerning the controversy already commenced by or against members of the class; (C) [t]he desirability or undesirability of concentrating the litigation of the claims in the particular forum; and (D) [t]he difficulties likely to be encountered in the management of a class action.

O.C.G.A. § 9-11-23(b)(3).

These factors weigh in favor of class certification. Given the common set of facts and legal issues presented by the claims of Named Plaintiff and the Members of the Refund Class, no legitimate interest exists for the Members of the Refund Class to individually control separate actions. *See Sacred Heart Health Systems, Inc. v. Humana Military Healthcare Services, Inc.*, 601 F.3d 1159, 1184 (11th Cir. 2010) (when common issues predominate over individual issues a class action is the more desirable vehicle).

No other litigation concerning this controversy has been commenced by Named Plaintiff or the Members of the Refund Class. As the Fire Fees at issue were paid to the County, it is the natural and only appropriate venue for the action. Finally, given the readily available records of the County necessary to identify the class and the location of all the Members of the Refund Class and the overarching legal issues requiring resolution by the Court, the instant action presents a straightforward easily managed class action.

⁴ For completeness the analysis of a class action being a superior method for resolving the instant claims of the Class Members is included here. However, since the Resolution, if approved, would obviate the need to a trial, the Court need not consider the manageability of a potential trial in its analysis of deciding whether to certify the Refund Class Refund Class. *See Amchem Products, Inc.*, 521 U.S. at 620.

Here, the facts and claims presented are uniquely appropriate for class certification. These refund claims, would not be economical to pursue outside of the class framework. Moreover, the number of claims if pursued by all Members of the Refund Class would be over 10,387 for each tax year at issue burdening the Superior Court of Emanuel County. *See Schorr v. Countrywide Home Loans, Inc.*, 287 Ga. 570, 572, 697 S.E.2d 827 (2010) (“[T]he modern class action is designed to avoid, rather than encourage, unnecessary filing of repetitious papers and motion.”). (Citations and punctuation omitted).

C. The Proposed Notice Program Should be Approved

O.C.G.A. § 9-11-23(e) provides “notice of the proposed ... compromise shall be given to all members of the class in such manner as the court directs.” Due process likewise requires that class members be given notice and an opportunity to be heard. *See Phillips Petroleum v. Shutts*, 472 U.S. 797, 812 (1985). “To satisfy due process requirements, the notice must be the best practicable, reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections.” *Morgan v. Public Storage*, 301 F. Supp.3d 1237, 1261 (S.D. Fla. 2016) (internal citation and punctuation omitted). As the *Morgan* Court explained, “best practicable” notice does not require that every class member actually receive notice. “The relevant question is not whether every absent class member actually receives notice, but whether the notice that the court orders is reasonably calculated to reach the absent members. The fact that some class members may not actually receive timely notice does not render the notice inadequate as long as the class as a whole had adequate notice.” *Id.* (Internal citation and punctuation omitted).

The method and manner of the notice process is “left to the discretion of the court subject only to the broad ‘reasonableness’ standards imposed by due process.” *Grunin v. Int’l House of*

Pancakes, 513 F.2d 114, 121 (8th Cir. 1975), *cert. denied*, 423 U.S. 864 (1975); *see also* O.C.G.A. §9-11-23(e). There is no single way in which the notice must be transmitted. However, “mail is the preferred means for notifying identified members of a class.” *Newberg on Class Actions*, §8:28 (5th ed. 2013). Mail is sufficient when the class members are known. Wright & A. Miller, *Federal Practice and Procedure*, §1797.6 (3rd ed. 2005).

Therefore, as part of the notice program, the Parties propose to individually notify each Member of the Refund Class via the U.S. Postal Service at the last known address as determined from the County’s business records and the records of the Emanuel County Tax Commissioner. This is the Full Notice proposed by the Parties. The Parties believe that in providing notice in this manner they will give actual, individual notice to every taxpayer who can be located that may be entitled to a refund under the issues raised in this Lawsuit.

The Full Notice is written in plain English; describes the Lawsuit, the claims that were raised and the terms of the proposed Resolution. The Full Notice also informs the Members of the Refund Class about the deadlines and their rights to object and instructions for doing so. It also informs the Members of the Refund Class that Class Counsel will apply to the Court for an award of attorney’s fees not to exceed 40% of the Aggregate Refund Fund and for a service award for Named Plaintiff and about the final fairness hearing and their right to appear. Finally, the Full Notice provides instructions on how the Members of the Refund Class can obtain more information about the Lawsuit and the Settlement if they desire to do so. *See* Ex. C, Full Notice.

In addition to this actual, individual notice, the County will place a Fire Fee Settlement Webpage on its website. This is the Fire Fee Settlement Webpage proposed by the Parties. On the Fire Fee Settlement Webpage the Members of the Refund Class will be able to view and download selected copies of pleadings, orders and documents related to the Resolution.

Finally, a Publication Notice will be placed in The Forest Blade containing information about the Lawsuit and directing the Members of the Refund Class to the Fire Fee Settlement Webpage. This is the Publication Notice proposed by the Parties. See **Exhibit “D”**, Publication Notice.

This notice program clearly satisfies the requirements of O.C.G.A. § 9-11-23 as well as due process. Therefore, the Court should approve the proposed notice program and direct that the notices be sent out to the Members of the Refund Class. See *e.g., Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address).

D. Claim Forms and Forms to be Used in the Administration of the Resolution

The Parties seek Court approval for five (5) claim forms that will be used in the claim administration for this Resolution.

1. Members of the Refund Class Who No Longer Own the Property

The first claim form will be used for Refund Class Members who no longer own the property for which the refund is due i.e., the Category 2 Class Members as defined in the proposed Judgment. A copy of the Claim Form for Category 2 Class Members is attached as **Exhibit “E”**. The Parties respectfully request that the Claim Form for Category 2 Class Members be approved for use in the administration of this Resolution.

2. Missing Refund Class Member

The second claim form will be used for taxpayers who believe that they are entitled to a refund but are not listed as a Refund Class Member. A copy of the Claim Form for Missing Class Member is attached as **Exhibit “F”**. The Parties respectfully request that the Claim Form for Missing Class Member be approved for use in the administration of this Resolution.

3. Objection Form for Class Member

Under the proposed Judgment the County and the individual taxpayers have the right to object to the calculation of any individual refund calculations made by the Administrators. *See* Ex. A, proposed Judgment, Section G. A copy of the proposed Objection Form for Class Member is attached hereto as **Exhibit “G”**. The Parties respectfully request that the Objection Form for Class Member be approved for use in the administration of the Resolution.

4. Address Update

The fourth claim form is for a Class Member to provide the Administrators with an updated address. A copy of the proposed Address Update Form is attached hereto as **Exhibit “H”**. The Parties respectfully request that the Address Update Form be approved for use in the administration of the Resolution.

5. Notice of Completion

Under the proposed Judgment the DRT Investments QSF Administrator shall file a notice of completion of administration (“Notice of Completion”) with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund Fund Account to the County. *See* Ex. A, proposed Judgment, Section J. A copy of the proposed Notice of Completion is attached hereto as **Exhibit “I”**. The Parties respectfully request that the Notice of Completion be approved for use in the administration of the Resolution.

CONCLUSION

For the reasons set forth herein, Named Plaintiff requests that the Court grant this Unopposed Motion to (1) preliminarily approve the proposed Resolution; (2) certify the proposed Refund Class; (3) designate Named Plaintiff as Class Representative; (4) designate Roberts Tate,

LLC as Class Counsel; (5) approve the notice program; (6) approve certain forms to be used in the administration of the Resolution; and (7) schedule the final approval hearing.

Respectfully submitted this the 27th day of August, 2025.

ORDER AND JUDGMENT

Plaintiff DRT Investments, LLC. (“Named Plaintiff”, “DRT Investments” or “Class Representative”) filed the instant class action lawsuit (the “Lawsuit”) against Emanuel County (“Defendant” or the “County”) pursuant to O.C.G.A. §48-5-380 (the “Refund Statute”) on behalf of itself and all taxpayers similarly situated seeking refunds for taxes illegally assessed and collected pursuant to The Emanuel County Fire Protection and Rescue Services Fee Resolution adopted and effective September 17, 2018 (the “Fire Fee” and the “Fire Fee Resolution”) and for prejudgment interest.¹ The County answered denying liability.

The parties seek to resolve the matter. Named Plaintiff filed an Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Classes, Approval of Notice Program and to Schedule Final Approval Hearing. (“Unopposed Motion” or “Motion.”) An Unopposed Preliminary Approval Order has been entered.

Having read and considered the pleadings and facts presented, the Court finds as follows:

¹ Named Plaintiff also asserts claims for declaratory judgment and injunction.

The Fire Fee Resolution established a special district known as the “Fire Protection Tax Fee District”, which consists of all unincorporated areas of Emanuel County, Georgia and all incorporated municipalities of Emanuel County, Georgia, with the exception of the City of Swainsboro. *See* Complaint, Exhibit C, § 2.1. The Emanuel County Fire District is referred to herein as the “District”.

The purpose of the Fire Fee Resolution was and “is to provide for additional funding for fire and rescue services that are provided for and funded in full or in part in the unincorporated areas of Emanuel County, Georgia and all incorporated areas of Emanuel County, Georgia with the exception of the City of Swainsboro.” *Id.*, § Article 1.

The Fire Fee Resolution defines “Fire Prevention and Rescue Services” to mean “fire suppression, community risk reduction, fire protection, disaster mitigation, rescue, hazardous material response, and other services provided by the rural fire rescue departments and personnel” within the District. *Id.* § 2.2.

The Fire Fee Resolution provides that the Fire Fee shall be a flat fee “assessed against each ‘parcel of land’, as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located in the fire prevention tax fee district of Emanuel County, Georgia. Said fee shall be imposed in an amount of \$30.00 per parcel, per year.” *Id.*, § 4.1.

The Fire Fee, pursuant to the Fire Fee Resolution, “shall be assessed on the ad valorem tax bill prepared by the officials of Emanuel County, Georgia and sent to the taxpayer at the normal time.” *Id.*, § 4.2.

Under the Fire Fee Resolution, the Fire Fee “shall be a lien upon the real property owned by [the] taxpayer just as the normal ad valorem taxes assessed by the county officials are in fact

liens against the property and said fee, should it not be paid by the taxpayer, shall be collected just as uncollected ad valorem taxes due to the county would otherwise be collected.” *Id.*, § 4.3.

The Fire Fee Resolution “created a special fund to be called the Emanuel County Fire Protection and Rescue Services Fund, where the money [] collected from the imposition of the fire fee shall be deposited. The funds so deposited shall be restricted solely for the repair and/or replacement of existing fire protection and rescue services equipment, the purchasing of additional equipment as needed, operational cost associated with the fire and rescue services, and for training and/or educational purposes as may be related to fire protection and rescue services in Emanuel County, Georgia. Said funds shall be used for no other purpose.” *Id.*, Article 5.

Upon information and belief, the Fire Fee for 2020, 2021, 2022, 2023, and 2024 was assessed on all parcels of real property as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office in the District in the amount of Thirty Dollars and No/100 (\$30.00).

It is the substance of the Fire Fee that is controlling, not the nomenclature selected by the County, that determines when a charge is a fee or a tax. *See McLeod, et al. v. Columbia County*, 278 Ga. 242, 244, 599 S.E.2d 152, 154 (2004).

The Fire Fee is “assessed against each ‘parcel of land’, as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located in the fire prevention tax fee district of Emanuel County, Georgia. Said fee shall be imposed in an amount of \$30.00 per parcel, per year.” *See Complaint, Exhibit C, § 4.1.*

The Fire Fee is based on the payer’s ability to pay, *i.e.*, the payer’s ownership of real property located in the District.

The Fire Fee is mandatory for all property owners who own real property located in the District. *See Id.*

The mandatory nature of the Fire Fee is evidenced by the fact that unpaid Fire Fees “shall be a lien upon the real property owned by [the] taxpayer just as the normal ad valorem taxes assessed by the county officials are in fact liens against the property and said fee, should it not be paid by the taxpayer, shall be collected just as uncollected ad valorem taxes due to the county would otherwise be collected.” *Id.*, § 4.3. In other words, the County may collect unpaid Fire Fees by issuing tax liens in the same manner and with same dignity and priority as liens for State and County ad valorem property taxes.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services, including fire prevention and firefighting operations, rather than a charge for a particular service. *See Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548, 550 (1958) (“A tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or a service rendered.”).

According to the Fire Fee Resolution, the Fire Fee is used for the operation of the fire departments servicing the District. *See Complaint*, Exhibit C, Article 5.

Under the Fire Fee Resolution, the Fire Fee can be used by the County for (a) the acquisition of equipment; (b) the payment of operational costs; (c) repair and replacement of existing equipment; and (d) training and/or educational purposes. *Id.*

Therefore, the object and purpose of the Fire Fee is to provide general revenue rather than compensation for services rendered.

The Fire Fee is a charge for the availability of fire protection services rather than the actual provision of fire service in response to emergencies.

The Fire Fee is assessed by the County in the District without regard to any direct benefits that may inure to the Subject Property, Named Plaintiff, the prospective class members, or the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property's contribution or the contribution of the prospective class members' property to the problem.

A property owner may pay the Fire Fee year after year and never utilize the fire protection services.

Despite having paid the Fire Fee, the payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer of the Fire Fee.

The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Payment of the Fire Fee by Named Plaintiff and the prospective class members does not result in a special benefit to the payer different from those to whom the Fire Fee does not apply, such as: (a) a motorist who does not own a taxable parcel located within the District but nonetheless summons fire protection services when his/her car catches on fire while driving through the District; or (b) a tenant who rents a dwelling or business premise in the District and who is not responsible to pay the Fire Fee under the plain language of the Fire Fee Resolution but summons

fire protection services to his/her leased property to protect, among other things, his/her personal property.

A payer of the Fire Fee may pay such charge year after year and never utilize any services funded by the Fire Fee.

The Fire Fee is an illegal tax used to fund a core governmental function, *i.e.*, firefighting services and firefighting operations, including (a) the acquisition of equipment; (b) the payment of operational costs; (c) repair and replacement of existing equipment; and (d) training and/or educational purposes. *See* Complaint, Exhibit C, Article 5.

Under the Georgia Constitution and Georgia law, taxation of real property is required to be ad valorem. That is, property must be assessed based upon the value of the property and not a flat fee. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) (“Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”).

Specifically, and as alleged in the Complaint as amended, the Court finds the following:

1) The Fire Fee is a means for the government to raise general revenue based on the taxpayer’s ability to pay, specifically based on ownership of property, without regard to the direct benefit that may inure to the payer or to the property taxed;

2) The Fire Fee is mandatory;

3) The Fire Fee is not related to the payer’s contribution to the burden on the government;

4) The Fire Fee does not result in a special benefit to the payer different from those to who the charge does not apply; and

5) The Fire Fee is not calculated in a manner whereby the payer is reasonably paying for services rendered or to be rendered.

Therefore, from 2020 through and including fiscal year 2024, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law.

THEREFORE, IT IS ORDERED as follows:

A. Injunctive Relief

Defendant Emanuel County is hereby permanently enjoined from collection of funds pursuant to the Fire Fee Resolution as written.

B. Class Certification

The Court hereby certifies one class pursuant to O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2) and the Court finds that such certification is appropriate. The class consists of *all owners of real property in Emanuel County who paid Fire Fees to the County per The Emanuel County Fire Protection and Rescue Services Fee Resolution, adopted and effective September 17, 2018, at any time between April 3, 2020 through the date of this Order* (the “Refund Period”). The class certified herein is hereinafter referred to as the “Refund Class,” and members of the Refund Class are hereinafter referred to as the “Class Members”.

(1) The “Refund Class”.

The Court specifically finds that class certification is appropriate because:

- 1) The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);
- 2) There are questions of law or fact common to each class member, satisfying the

requirements of O.C.G.A. § 9-11-23(a)(2);

- 3) The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);
- 4) Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);
- 5) Certification of the Refund Classes is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests;
- 6) Certification of the class is appropriate under O.C.G.A. § 9-11-23(b)(2) as Defendant opposing class members has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the class;²
- 7) The law firm of Roberts Tate, LLC will fairly and adequately represent the interests of the Refund Class as Class Counsel; and
- 8) The action is manageable as a class action.

² Additionally, while the Court has elected to only certify the Refund Class under 9-11-23(b)(1) and 9-11-23(b)(2), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

Plaintiff DRT Investments, LLC shall serve as class representative for the Refund Class as defined herein.

The law firm of Roberts Tate, LLC is appointed as Class Counsel for the Refund Class certified herein.

C. Judgment on the Aggregate Refund Amount

The Court hereby approves and enters judgment pursuant to the Refund Statute in favor of Named Plaintiff and the class in the amount of \$650,000.00. An aggregate refund fund shall be established in the amount of SIX HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$650,000.00) (hereinafter the “Aggregate Refund Fund”) to pay refunds to the Refund Class.

Defendant shall pay the Aggregate Refund Fund via ACH payment or wire within fifteen (15) days of final approval of this Order (“Aggregate Refund Fund Payment”). In the event that Defendant fails to make the payments into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund shall be the sole source used to pay: (i) all refunds and any interest owed to Class Members as set forth herein (the “Class Refunds”); (ii) Plaintiff’s Counsel for attorneys’ fees and expenses as set forth herein and as approved by the Court; (iii) Class Representative Service Payment as set forth herein and as approved by the Court; and (iv) the costs of administering the Aggregate Refund Fund including the cost and expenses of the Administrator and the costs of notice to the Class Members as described herein, the costs and expenses of the Special Master, and the direct costs and expenses for the distribution and mailing of refunds to Class Members.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the “DRT Investment QSF”) to carry out the payment of approved Fees and Expenses of Class Counsel and the Class Representative Service Payment set forth in Section F and the Refund Payment Process set forth in Section K herein. The Final Order will appoint Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as administrator of the QSF (the “DRT Investments QSF Administrator” or “QSF Administrator”). The QSF Administrator will be paid a flat fee of \$30,000.00. The costs of the QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the “Aggregate Refund Fund Account”) established by the QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

The QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

D. Appointment of Administrator

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is appointed Administrator to identify Class Members (hereinafter

referred to as the “Administrator”) entitled to refunds based on Emanuel County’s databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator is to be given full access to the pertinent records of Emanuel County. In the event that Terry Turner cannot serve, a substitute Administrator consented to by the Parties shall be appointed.

The Administrator’s fees will be paid from the Aggregate Refund Fund. The Administrator will be paid the hourly rate of \$120 per hour for his services and \$80 per hour for administrative personnel hired to assist. Upon completion of the Administrator’s work the Administrator shall submit an accounting of all charges and expenses to Named Plaintiff’s Counsel and Defendant’s Counsel at least fifteen (15) days prior to submission of such charges and expenses to the QSF Administrator for payment. Named Plaintiff’s Counsel and Defendant’s Counsel shall notify the Administrator of any objections to the charges and expenses within five (5) days of receipt. The QSF Administrator will pay the Administrator’s charges and expenses within ten (10) days of submission provided there are no unresolved objections. Any unresolved objections shall be submitted to the Special Master as set forth below for resolution and whose decision shall be binding.

E. Preliminary Approval of Order and Judgment, Notification of Class and Objection Procedure

Named Plaintiff shall promptly move the Court for an Order granting preliminary approval of this Order and Judgment (the “Preliminary Approval Order”). The proposed Preliminary Approval Order that will be attached to the motion and shall be in a form from Named Plaintiff’s Counsel and not opposed by Defendant’s Counsel. The Motion for Preliminary Approval shall request that the Court: (i) grant preliminary approval of this Order and Judgment as set forth herein as being within the range of potential outcomes and fair, adequate and reasonable; (ii) certify the

proposed Refund Class and appoint Class Counsel and the Class Representative; (iii) approve the Notice program as overviewed herein and as set forth in more detail in the Motion for Preliminary Approval including the form and content of the Notices which will be attached to the Motion for Preliminary Approval; and (iv) schedule a Final Approval hearing for a time and date mutually convenient for the Court, Named Plaintiff's Counsel and Defendant's Counsel, at which time the Court will conduct an inquiry into the fairness of the Order and Judgment, determine whether it was made in good faith, finally certify the Refund Class, and determine whether to approve the Order and Judgment and Named Plaintiff's Counsel's application for attorneys' fees, service award to class representative, costs and expenses (the "Final Approval Hearing").

Notice of the Order and Judgment shall be sent to those set forth in Exhibit A. Those set forth in Exhibit A are potential Class Members.

The proposed notice to the Class Members shall include, among other information; a description of the material terms of the Order and Judgment; a description of the administration process; the timing of the calculation of individual refund amounts; a date by which the Class Members may object to the fee, service award and expense motion; a date by which the Class Members may object to the calculation of individual refund amounts; the address of the webpage contained on Emanuel County's website where Class Members may access this Order and Judgment and other related documents and information; the date that the Final Approval Hearing will occur; and the procedure for the Class Members to object (the "Notice"). A form of Notice to be sent to the Class will be submitted to the Court as an exhibit to the Motion for Preliminary Approval. Notice will be provided by U.S. Mail to the last known address for each taxpayer who paid the Fire Fee from April 3, 2020 through the date preliminary approval is granted. An

advertisement will be placed in The Forest Blade containing the information provided in the Notice and directing the taxpayers to the webpage on the County's website.

Objections to the Order and Judgment or to the Fee Petition and Service Award (as described in Section E) must be mailed to the Clerk of Court, Named Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be received by the Court, Named Plaintiff's Counsel and Defendant's Counsel at least ten (10) days prior to the Final Approval Hearing. For an objection to be considered by the Court, the objection must also set forth:

- a. The name of the Lawsuit;
- b. The objector's full name, address and telephone number;
- c. An explanation of the basis upon which the objector claims to be a Class Member;
- d. All grounds for the objection, accompanied by any legal support for the objection known to the objector or the objector's counsel;
- e. The number of times the objector has objected to a class action settlement within the five (5) years preceding the date on which the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders or opinions to or ruling upon the objector's prior such objections that were issued by any court in each listed case;
- f. The identity of all counsel who represented the objector, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Judgment or to Fee Petition, and Service Award;
- g. The number of times the objector counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date the objector files the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
- h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between the objector or objector's counsel and any other person or entity;

- i. The identity of all counsel representing the objector who will appear at the Final Approval Hearing;
- j. A list of all persons which will be called to testify at the Final Approval Hearing in support of the objection;
- k. A statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
- l. The objector's signature (an attorney's signature is not sufficient).

The Court, in its discretion, may determine which, if any, Class Member(s) who objected and who requested to appear at the Final Approval Hearing will be entitled to appear and be heard. Any Class Member who fails to object in the manner set forth in this Section shall be deemed to have forever waived his or her objections and forfeit any and all rights the Class Member may otherwise have to appear separately and/or to object, and shall be bound by all the terms of this Order and Judgment and by all proceedings, orders and judgments in the Lawsuit.

F. Fees and Expenses

Class Counsel intends to file a motion for attorney's fees and expenses to be awarded as well as a motion for a class service payment to the Class Representative at least twenty (20) days prior to the Final Approval Hearing. Class Counsel intends to seek the payment of attorneys' fees from the Aggregate Refund Fund plus documented out of pocket costs and expenses for prosecuting this action ("Fee Petition"). Any award of attorney's fees, costs and expenses to Class Counsel shall be payable solely out of the Aggregate Refund Fund and is subject to Court approval. Defendant takes no particular position in favor or against the ultimate amount requested in such Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

Additionally, Class Counsel intends to file on behalf of Class Representative a petition for class service payment from the Aggregate Refund Fund ("Class Service Petition"). Defendant

takes no particular position in favor or against the ultimate amount requested in such Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

Following the date of notice to the Class as described below, the Court, if necessary, will hold a hearing (see Section F) to resolve any objections and pending motions and will determine the amount of fees and expenses to be paid to Class Counsel and fees to be paid to the Class Representative. Class Counsel's fees and expenses, Class Representative's fees and fees regarding the administration of the Aggregate Refund Fund are collectively referred to as "Fees and Expenses". Fees and Expenses are to be paid from the Aggregate Refund Fund.

The Attorney's Fees and Expenses and Service Payments shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order.

All Fees and Expenses awarded by the Court to Class Counsel shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the DRT Investments QSF Administrator within thirty (30) days from the date of the Court Order approving same, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining Fees and Expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of Fees and Expenses to Class Counsel. Fees and Expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Order and Judgment or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed.

G. Final Approval Order and Entry of Consent Judgment

Named Plaintiff shall file its Motion for Final Approval of Judgment, the Fee Petition and the Class Service Petition no later than seven (7) days prior to the date of the Final Approval Hearing. The Court, if necessary, will hold a hearing to resolve any objections properly submitted and enter the Judgment and award attorneys' fees and expenses and service award for Class Representative. The Motion for Final Approval of the Judgment will contain a proposed Final Order in a form from Named Plaintiff's Counsel not opposed by Defendant's Counsel. Such Final Order shall, among other things:

- a. Finally certify the Refund Class for settlement purposes pursuant to O.C.G.A. §9-11-23(e);
- b. Determine that the Order and Judgment is fair, adequate and reasonable;
- c. Determine that the Refund Class has been fairly and adequately represented;
- d. Determine that the Notice Provided satisfies Due Process requirements;
- e. Enter a final order and judgment giving effect to the terms of this Order and Judgment;
- f. Rule on the Fee Petition and award attorney's fees and expenses payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;
- g. Rule on the Class Service Petition and award class service payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;
- h. Bar and enjoin Named Plaintiff and all Class Members from asserting any of the Released Claims;
- i. Release Defendant and Released Parties as set forth in Section L (1);
- j. Direct payment of the Aggregate Refund Fund as provided herein; and
- k. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Order and Judgment, to administer, supervise, construe and enforce this Order and Judgment in accordance with its terms.

H. Identification of Class Members and Calculation of Individual Refunds

Following Final Approval of the Judgment, the Administrator is directed to identify the Class Members and determine the refunds owed. The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the pertinent records of and full cooperation by Defendant's departments including, but not limited to, Information Technology and Finance Departments, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The amount of Fire Fees paid by each Class Member during the Refund Period shall be summed to determine the total of all Fire Fees paid by all Class Members during the Refund Period. This percentage for each Class Member multiplied by the amount of the Aggregate Refund Fund shall be the presumptive refund amount ("Presumptive Refund Amount").

The Administrator will not calculate interest on the refund from the date of payment through the date of final approval of this Order and Judgment in the calculating the Presumptive Refund Amount owed to each Class Member.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Order and Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the Presumptive Refund Amount for each Class Member, the Administrator will post the list of Class Members and the Presumptive Refund Amount owed to each on the County's website and provide notice in The Forest Blade.

The County and any Class Member shall have the right to object to the calculation of any Presumptive Refund Amount made by the Administrator including the County's ability to assert any individual defenses to such individual's entitlement to the refund or the amount thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the Administrator's notice of completion of the individual refund calculation.

Finally, the page on the County's website will provide a claim form for any taxpayer who paid the Fire Fee not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the County's website. The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit his conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding, except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter.

Finally, the page on the County's website will provide a form for any applicant identified as a Class Member to utilize to update their address.

I. Administration of the Class

The Presumptive Refund Amounts for each Class Member will be posted on a page on the County's website along with information about how a Class Member can object to their individual refund amounts.

After the Administrator identifies the Class Members entitled to refunds and calculates the Presumptive Refund Amounts, the Administrator will divide the Class Members into the following categories for purposes of distributing the refunds to the Class Members:

- Class Members still owning the property for which a refund is determined to be owed (hereinafter “Category 1 Class Members”).
- Class Members no longer own the property for which a refund is determined to be owed (hereinafter “Category 2 Class Members”).

A claim form for collection of individual refunds for Category 2 Class Members will be submitted to the Court for approval along with the Motion for Preliminary Approval (the “Claim Form”). Additionally, a page will be created on the County’s website providing the information contained in the Claim Form for the collection individual refunds.

For Category 2 Class Members, the Claim Form will be sent to what is believed to be the current mailing address with a form requiring that the taxpayer certify that he or she is the same taxpayer for which the refund has been calculated. The taxpayer shall have sixty (60) days to return the certification. The refund shall be mailed in accordance with the timing procedures set forth below.

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master’s decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Category 1 Class Members and those Category 2 Class Members who returned a properly executed Claim Form shall be the “Qualified Class Members” to whom refunds shall be

paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

J. Qualified Class Member Refunds

Each Qualified Class Member will receive his or her pro-rata share of his or her Presumptive Refund Amount up to 100% of the Presumptive Refund Amount from the Aggregate Refund Fund, less Fees and Expenses (the “Pro-Rata Refund”). “Pro-rata” shall mean the proportion each Qualified Class Member’s Presumptive Refund Amount bears to the Aggregate Refund Fund. This percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the ratio of each Class Members Presumptive Refund Amount to the Aggregate Refund Fund. The resulting number shall be each Qualified Class Member’s portion of the Fees and Expenses (“Pro-Rata Fees and Expenses”). The difference between the Presumptive Refund Amount less the Pro-Rata Fees and Expenses shall be each Qualified Class Member’s Pro-Rata Refund and shall be the amount distributed to each Qualified Class Member as set forth herein.

K. Refund Payment Process

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the DRT Investments QSF Administrator the amount of refund due each taxpayer and the address to which the refund is to be mailed for the Category 1 Class Members. The DRT Investments QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit

Claims Forms, the Administrator shall identify to the DRT Investments QSF Administrator Category 2 Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the DRT Investments QSF Administrator (the “Expiration Date”). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the County.

The DRT Investments QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff’s Counsel and Defendant’s Counsel upon request. The DRT Investments QSF Administrator shall file a notice of completion of administration (“Notice of Completion”), the form of which shall be included in the Motion for Preliminary Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund Fund Account to the County.

L. General Provisions

1. Released Claims

Named Plaintiff and Class Members agree to release and forever discharge, and by this Agreement do, for themselves, their heirs, executors and administrators, release and forever discharge Defendant, its current and former Board of Commissioners, Chairman, Commissioners, in their official and individual capacities, Defendant’s past, present and future offices and departments, and their respective past, present and future divisions, subsidiaries, affiliates and related governmental entities and their successors, assigns, directors, officers, employees, attorneys, agents and representatives, personally and as officers, employees, attorneys, agents, or

representatives (collectively, the “Releasees”), of and from all manner of action and actions, causes and causes of action, sums of money, covenants, contracts, controversies, agreements, promises, damages (including, but not limited to, attorneys fees), claims and demands for the payment of Fire Fees, taxes and/or fees asserted in the Lawsuit related to or arising out of the assessment of Fire Fees as alleged in the Lawsuit from 2019 through the date of execution of this Order and Judgment whether in law or in equity (the “Released Claims”).

2. Effect of Failure to Grant Final Approval

In the event that the Court fails to enter an Order granting Final Approval to this Order and Judgment, the Lawsuit shall resume, this Order and Judgment and any Order granted pursuant to this Order and Judgment, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties’ rights and defenses shall be restored without prejudice as if this Order and Judgment had never been entered into, and no document should be deemed to contain any purported admission, unless either: (1) Named Plaintiff and Defendant agree in writing to a modification of the Order and Judgment and obtain approval of this Order and Judgment with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Order and Judgment after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Order and Judgment, the terms of this Order and Judgment shall not be admissible for any purposes in this action or any other action against Emanuel County regarding Fire Fees.

3. Future Fire Fee or Assessment

This Order and Judgment does not prohibit the County to seek to collect in and after 2025 amounts for fire protection, so long as collection is in compliance with Georgia law, including Ga.

Const. Art. 9, § 2, ¶ VI, “Special districts,” and the Georgia Service Delivery Strategy Act, O.C.G.A. § 36-70-20, *et seq.*, and/or Georgia or federal case law as then existing or as it may develop. By this Order and Judgment, the County does not waive the right to seek to collect in and after 2025 amounts for fire protection, so long as collection is in compliance with Georgia law, including Ga. Const. Art. 9, § 2, ¶ VI, “Special districts,” and the Georgia Service Delivery Strategy Act, O.C.G.A. § 36-70-20, *et seq.*, and/or Georgia or federal case law as then existing or as it may develop.

4. Continuing Jurisdiction

The Court shall retain jurisdiction over the interpretation and implementation of this Order and Judgment, as well as any matters arising out of, or related to, the interpretation or implementation of this Order and Judgment.

SO ORDERED. This _____ day of _____, 2025.

7.

I have extensive experience in property tax law and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama and North Carolina at the administrative, trial court, and appellate court levels. I serve on the Board of Governors of the State Bar of Georgia, am a past President of the Glynn County Bar Association and rated "Preeminent", the highest legal rating available from the leading legal rating service, Martindale Hubbell. I was named a Rising Star by in 2006, 2009-2011 and 2014-2016 and a Super Lawyer for 2017-2025 by Super Lawyers Magazine. I have successfully litigated eleven class actions through verdict, settlement and completed administration or administration still in progress.

8.

I regularly provide advice and counsel to clients on matters related to the valuation of property for taxation, exemption and special use valuation programs.

9.

Our firm conducted early, informal discovery into this Lawsuit including investigation of facts, the law and extensive analysis and calculation of the damages and refund potentially owed. We issued numerous Open Records Requests to Emanuel County (the "County") for documents.

10.

From the documents provided pursuant to the Open Records Requests we thoroughly researched the facts of this Lawsuit.

11.

We spent a substantial number of hours investigating the thousands of potential refund claims for fire protection fees (the “Fire Fee”) paid in the years 2019 through 2024 .

12.

For all of the taxpayers who potentially could be entitled to a refund, we reviewed property record cards and tax bills.

13.

Legal issues have been thoroughly researched and I have briefed and argued the same issues in other tax refund and tax appeal matters. I am very familiar with the statutory requirements for refund matters under O.C.G.A. §48-5-380 (the “Refund Statute”).

14.

After thoroughly investigating the facts of this Lawsuit, filing the Complaint Parties began Settlement negotiations.

15.

The Parties held numerous Settlement negotiation discussions.

16.

The Settlement (the “Settlement”) by the Parties is memorialized in the proposed Judgment on Aggregate Refund and Order (the “Proposed Judgment”) which is attached as Exhibit “A” to the Unopposed Motion.

17.

The County is represented by Patrick T. O'Connor, Esq., Patricia T. Paul, Esq. And Richard McNeely, Esq. who are extremely capable counsel and worthy, highly competent and professional adversaries.

18.

The Settlement was negotiated at arm's length and without collusion.

19.

The County's attorney mounted vigorous defenses, and the Settlement was only reached after negotiations concerning the parameters and provisions of a fair, reasonable and adequate Settlement.

20.

We are respectfully requesting that Roberts, Tate, LLC be appointed Class Counsel as we will fairly and adequately represent the interest of the Class as Class Counsel.

21.

The attorneys representing Named Plaintiff and the purported class have extensive experience in complex class and collective actions.

22.

Based on this experience, Roberts, Tate, LLC will fairly and adequately represent Named Plaintiff and the purported Class as Class Counsel.

23.

The Parties have no agreements in connection with the Settlement other than the Consent Judgment.

24.

As set forth in the proposed notice to the Class (attached to the Joint Motion as Exhibit “3” (the “Full Notice”)) Class Counsel will apply for an award of attorney’s fees not to exceed 40% of the Aggregate Refund Fund as described in the Consent Judgment plus documented out of pocket expenses. Class Counsel will file an Application for Attorney’s Fees and Expenses as directed by the Preliminary Approval Order.

25.

It is my opinion, as lead counsel for the Named Plaintiff, that the Settlement achieved in this Lawsuit is fair, reasonable and adequate under the circumstances. For all of the reasons cited above and more, I recommend preliminary approval of this Settlement.

FURTHER AFFIANT SAITH NOT.

Basic Information

1. What is the purpose of this Notice?

The purpose of this Notice is to inform you of (a) the existence of a class action lawsuit; and (b) the Order and Judgment on Aggregate Refund and Order (the “Order and Judgment”) which settles the lawsuit (the “Settlement”). The Court authorized this Notice because you have a right to know about the Order and Judgment which settles this class action lawsuit before the Court decides whether to give “final approval” to the Settlement. This Notice explains the nature of the lawsuit that is subject of the Settlement and your legal rights and options.

The class action lawsuit is pending in the Superior Court of Emanuel County, Georgia, known as *DRT Investments, LLC v. Emanuel County, Georgia* (the “Lawsuit”).

2. What is this Lawsuit about?

This Lawsuit alleges that Defendant Emanuel County (the “Defendant” or the “County”) levied and collected an illegal tax per The Emanuel County Fire Protection and Rescue Services Fee Resolution, adopted and effective September 17, 2018 (the “Fire Fee Resolution” or “Resolution”) from 2019 to 2025. The Fire Fee Resolution assesses a flat fee (the “Fire Fee”) against each parcel of land, as designated by a tax map and parcel number, in the unincorporated areas of Emanuel County, Georgia and all incorporated areas of Emanuel County, Georgia with the exception of the City of Swainsboro (the “Fire Protection Tax District” or “District”). The Fire Fee Resolution that its purpose is to provide for additional funding for fire and rescue services that are provided for and funded in full or in part in the District.” *Id.*, § Article 1.

The Fire Fee Resolution defines “Fire Prevention and Rescue Services” to mean “fire suppression, community risk reduction, fire protection, disaster mitigation, rescue, hazardous material response, and other services provided by the rural fire rescue departments and personnel” within the District. *Id.* § 2.2.

The Fire Fee Resolution provides that the Fire Fee shall be a flat fee “assessed against each ‘parcel of land’, as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located in the fire prevention tax fee district of Emanuel County, Georgia. Said fee shall be imposed in an amount of \$30.00 per parcel, per year.” *Id.*, § 4.1.

The Fire Fee, pursuant to the Fire Fee Resolution, “shall be assessed on the ad valorem tax bill prepared by the officials of Emanuel County, Georgia and sent to the taxpayer at the normal time.” *Id.*, § 4.2.

Under the Fire Fee Resolution, the Fire Fee “shall be a lien upon the real property owned by [the] taxpayer just as the normal ad valorem taxes assessed by the county officials are in fact liens against the property and said fee, should it not be paid by the taxpayer, shall be collected just as uncollected ad valorem taxes due to the county would otherwise be collected.” *Id.*, § 4.3.

The Fire Fee Resolution “created a special fund to be called the Emanuel County Fire

Protection and Rescue Services Fund, where the money [] collected from the imposition of the fire fee shall be deposited. The funds so deposited shall be restricted solely for the repair and/or replacement of existing fire protection and rescue services equipment, the purchasing of additional equipment as needed, operational cost associated with the fire and rescue services, and for training and/or educational purposes as may be related to fire protection and rescue services in Emanuel County, Georgia. Said funds shall be used for no other purpose.” *Id.*, Article 5.

The lawsuit alleges:

The Fire Fee is based on the payer’s ability to pay. That is, the payer’s ownership of a “parcel of land,” as designated by a tax map and parcel number assigned by the Emanuel County Tax Assessor’s Office, located within the District.

The Fire Fee is mandatory for all property owners in the District. The mandatory nature of the Fire Fee is evidenced by the fact that it is included on tax bills.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services rather than a charge for a particular service.

The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Subject Property or to Named Plaintiff or to the prospective class members or to the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property’s contribution or the contribution of the prospective class member’s property to the problem. That is, a property owner may pay the Fire Fee year after year and never utilize the fire protection services.

The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee. The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Therefore, the Fire Fee is an illegal tax to fund core governmental functions, i.e., fire fighting services and firefighting operations.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a flat rate. See Hutchins, et la. v. Howard, et al., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) (“Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the

same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”).

Rather than assessing the Fire Fee based on the value of property, the County assesses the Fire Fee in the form of a flat fee. Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under O.C.G.A. § 48-5-380 (the “Refund Statute”).

Named Plaintiff filed this Lawsuit on behalf of itself and all taxpayers similarly situated who own or owned parcels in the Fire Protection Tax District and were assessed and paid Fire Fees at any time between April 3, 2020 and the date of final approval of this settlement (“Refund Period”).

3. Why is this Lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class and the individuals are called class members. One court resolves the issues for all class members.

4. Why is there a Settlement?

The Court has not decided in favor of Named Plaintiff or Emanuel County. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial and related appeals and Class Members receive the benefits described in this Notice. The “Class Representative” appointed to represent the Class and the attorneys for the Class (“Class Counsel”, see Question No. 15) think that the Settlement is best for all Class Members.

Who is in the Settlement?

5. Am I part of the Class?

You are a member of the Class if you are or were an owner of a property in the Emanuel County Fire Protection District and were assessed and paid Fire Fees to the County per the Fire Fee Resolution and paid such Fees between April 3, 2020 through the date of final approval of this settlement.

6. What if I am still not sure if I am included in the Class?

After the Administrator calculates the individual refunds for the Class Members, the Class Members’ names who are determined to be entitled to refunds along with the refund each will receive will be posted on the Fire Fee Settlement Webpage on Emanuel County’s website as described in Question No. 25. You can visit the Fire Fee Settlement Webpage on Emanuel

County's website (**FILL IN URL OF FIRE FEE SETTLEMENT WEBPAGE**) where you can search for your name and/or property for which you believe you may be entitled to a refund.

You can also call Class Counsel at (912) 638-5200 to get help.

The Proposed Settlement

7. What are the Settlement Benefits?

If the Settlement is approved by the Court at or after the Fairness Hearing described in Question No. 20, the County has agreed to create an Aggregate Refund Fund in the amount of \$650,000.00 (the "Aggregate Refund Fund").

If the Court finally approves this Settlement and if you paid Fire Fees for any of the year on or after April 3, 2020 through the date of final approval of this settlement, you will receive a refund calculated as explained in Question No. 11.

The money in the Aggregate Refund Fund will only be distributed if the Court finally approves this Settlement.

8. How do I receive my refund?

Following the Final Approval of the Unopposed Judgment settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts. After the Administrator calculates the individual refunds for the Class Members, the Class Members' names along with the refund each will receive will be posted on the Fire Fee Settlement Webpage on the County's website along with information about how a Class Member can object to individual refund amounts. As deemed appropriate by the Court appointed Administrator, updates as to timing of the individual Class Member refund calculation and payment will also be posted on the Fire Fee Settlement Webpage on the County's website.

The Administrator will divide the Class Members into the following categories for purposes of distributing the refunds:

Category 1 Class Members: Class Members still owning the property for which a refund is determined to be owed.

Category 2 Class Members: Class Members who no longer own the property for which a refund is determined to be owed.

If you are a Category 1 Class Member the refund will be mailed without the need for you to take any action. (See Question No. 14 for more information). If you are a Category 2 Class Member you will be sent a Claim Form at what is believed to be your current mailing address or you can obtain the Claim Form from the Fire Fee Settlement Webpage on the County's Website. If you receive a Claim Form or are listed as a Category 2 Class Member, you will need to follow the

directions on the Claim Form, certifying that you are the same taxpayer for which the refund has been calculated. You will have sixty (60) days to return the Claim Form. (See Question No. 14 for more information).

9. What if I receive a Claim Form and do not follow the instructions or do not timely return the form?

Only Category 2 Class Members (Class Members who no longer own the property for which the refund is determined to be owed) are required to submit a Claim Form. If you fail to follow the instructions on the Claim Form and do not submit it on or before the date provided on the Claim Form you will not receive your refund. Sending in a Claim Form late will be the same as failing to send in the required Claim Form.

10. What if I am not listed on the Fire Fee Settlement Webpage as a Class Member?

As explained in Question No. 8, following the Final Approval of the Unopposed Judgment settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts and post the Class Members and the refunds each will receive on the Fire Fee Resolution Webpage on the County's website. There will be a Claim Form on that webpage for any taxpayer not identified as a Class Member by the Administrator to download, complete and submit according to the directions provided. The Administrator will review the claim and notify the taxpayer of their findings. The taxpayer will have fifteen (15) days to object to the Administrator's findings. Objections will be heard by a Special Master. The Special Master's findings will be final and binding.

11. How are the refunds calculated?

Following Final Approval of the Unopposed Judgment, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

"Class Member" or "Class Members" means a member or members of the Classes.

The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to the Finance Department, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The total of all Fire Fees paid during the period will be totaled and each person's fire fees paid divided by the total of all Fire Fees paid during the period will be the percentage of the Aggregate Refund Fund that each person is expected to receive (the "Presumptive Refund Amount").

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

12. How much will my refund be?

If you are entitled to a refund, your refund will be calculated as explained in Question No. 11. At this time, it is not known how much each individual refund will be. The Administrator will calculate the individual refund amounts after the Final Approval Hearing (see Question No. 20) and after the Court finally approves the Settlement. See Question No. 14 regarding timing of payment.

13. What am I giving up as part of the Settlement?

If the Settlement is finally approved by the Court after the Final Approval Hearing, you will give up your right to sue the County and other persons (“Defendant Releasees”) as to all claims arising out of any and all claims for payment of taxes related to or arising out of the assessment of the Fire Fees as alleged in the Lawsuit from 9/18/18 through the execution of the Court’s Order and Judgment, whether in law or equity (the “Released Plaintiff and Class Member Claims”).

The full text of the Release is set forth in Question No. 26. Additionally, a copy of the Unopposed Judgment can be found on the Fire Fee Settlement Webpage on the County’s website. *You should carefully read the Release and if you have any questions about the Release, you may contact Class Counsel at (912) 638-5200.*

14. When will I get paid?

On [REDACTED], the Court will hold a hearing to decide whether to approve the Settlement. If the Court approves the Settlement, the Administrator will begin to verify the individual Class Members who are entitled to refunds and determine the individual amount of the refund to be paid to each Class Member.

The Administrator will endeavor to complete the individual Settlement Class Member refund calculations within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the “DRT Investments QSF”) to carry out the payment of refunds to individual Class Members. The Final Order will appoint an administrator of the DRT Investments QSF (the “DRT Investments QSF Administrator”).

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the DRT Investments QSF Administrator the amount of refund due

each taxpayer and the address to which the refund is to be mailed the Category 1 Class Members. The DRT Investments QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the Administrator shall identify to the DRT Investments QSF Administrator Category 2 Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed.

Please note that there is often a delay after a Settlement like this is approved. For example, there may be appeals of the Court's Order approving the Settlement. The relief to the Class Members provided for by this Settlement may not be implemented until appeals are finished and the Court's Order finally approving this Settlement is upheld. Because of this there could be a delay in payment of the individual refund amounts as provided for in the Settlement.

Please be patient. Updates as deemed necessary will be posted on the Fire Fee Resolution Webpage on Emanuel County's website.

The Lawyers Representing You

15. Do I have a lawyer in this Lawsuit?

Yes. The Court decided that the law firm of Roberts Tate, LLC is qualified to serve as Class Counsel and to represent you and all Class Members.

16. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But if you want your own lawyer, you may hire one at your own cost.

17. How will the lawyers get paid and will there be incentive payments?

Class Counsel has not received any fees for the lawyer and professional time they have devoted to this Lawsuit, nor have they received any reimbursement for any of the out-of-pocket expenses incurred. For work done through the final approval of this Settlement, Class Counsel will apply to the Court for an award of attorneys' fees not to exceed 40% of the Aggregate Refund Fund plus documented out of pocket expenses incurred from the Aggregate Refund Fund (the "Fee Petition"). The County takes no position on the Fee Petition, will not oppose the Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

In addition, Class Counsel will ask the Court to award to the Named Plaintiff, DRT Investments, LLC, a class service payment from the Aggregate Refund Fund in recognition of its efforts on behalf of the Class (the "Class Service Petition"). Named Plaintiff was prepared to appear and testify at trial on behalf of the Class. The County takes no position on the Class Service Petition, will not oppose the Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

The amounts to be awarded as attorney's fees, expenses and Named Plaintiff's service award must be approved by the Court. Class Counsel will file the Fee Petition and the Class Service Petition at least twenty (20) days prior to the Final Approval Hearing. You can object to the Fee Petition and the Class Service Petition in compliance with the instruction in Question No. 18.

A copy of the Fee Petition and the Class Service Petition will be posted on the Fire Fee Settlement Webpage on the County's website the same day that it is filed with the Court.

Supporting or Objecting to the Settlement

If you are a Class Member, you can tell the Court that you like the Settlement or you can tell the Court that you do not agree with the Settlement or some part of the Settlement. You can object to the entire Settlement or any part of the Settlement. You can give reasons why you do not think that the Court should approve the Settlement. You can also object to the Fee Petition or the Class Service Petition. Failure of the objector to comply with the discovery requests may result in the Court striking the objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery

to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

Any Class Member who fails to object in the manner set forth above will be deemed to have forever waived his or her objections.

19. Can I call the Court or the Judge's office about my objections?

No. If you have questions, you may visit the Fire Fee Settlement Webpage on the County's website (**INSERT URL OF FIRE FEE SETTLEMENT WEBPAGE**) for more information about the settlement. You may also call Class Counsel.

20. When and where will the Court decide to approve the Settlement?

The Court will hold a Final Approval Hearing at ____:00 __.m. on _____ at the Emanuel County Courthouse. After the Final Approval Hearing the Court will decide whether to finally certify the Settlement Class and whether to approve the Settlement. The Court may also decide how much to pay Class Counsel and whether to award a class service payment to Named Plaintiff. Additionally, if no objections are filed, the Court may elect to conduct the hearing telephonically or virtually without further notice to the Class. We do not know how long it will take the Court to make its decision.

Important! The time and date of the Final Approval Hearing may change without additional mailed or published notice.

21. Why is there a hearing?

At the Final Approval Hearing the Court will consider whether to finally certify the Settlement Classes and whether the Settlement is fair, reasonable and adequate. If there are objections that were properly submitted (see Question No. 18) the Court will consider them. At its discretion, the Court may listen to people who have properly filed objections (see Question No. 18) and have asked to speak at the hearing.

22. Do I have to come to the hearing?

No. Class Counsel will present the Consent Judgment settling this Lawsuit to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. Dear Mr. Roberts:

Enclosed is a copy of the Resolution authorizing the collection of fire fees. I checked with our county administrator and he said that was all the documentation he had concerning the collection of these fees.

If you would like for us to provide you with a list of the parcels that are charged fire fees, we will be glad to do that if you will send us a USB flash drive or provide us with the FTP site that we can post our files to.

If you prefer to come in person and check our records, that can be arranged. Please call me at (478) 237-3351 and we can set up an appointment for you at the Tax Assessors' Office.
